**Negotiations in ELF from a Cultural Linguistic Perspective** Milene Mendes de Oliveira, 2019-11-18 Some of the most frequent questions surrounding business negotiations address not only the nature of such negotiations but also how they should be conducted The answers given by business people from different cultural backgrounds to these questions are likely to differ from the standard answers found in business manuals In her book Milene Mendes de Oliveira investigates how Brazilian and German business people conceptualize and act out business negotiations using English as a Lingua Franca The frameworks of Cultural Linguistics English as a Lingua Franca World Englishes and Business Discourse offer the theoretical and methodological grounding for the analysis of interviews with high ranking Brazilian and German business people Moreover a side study on e mail exchanges between Brazilian and German employees of a healthcare company serves as a test case for the results arising from the interviews and helps understand other facets of authentic intercultural business communication Offering new insights on English as a Lingua Franca in international business contexts Business Negotiations in ELF from a Cultural Linguistic Perspective simultaneously provides a detailed cultural conceptual account of business negotiations from the viewpoint of Brazilian and German business people and a secondary analysis of their pragmatic aspects

The church as sacred space in Middle English literature and culture Laura Varnam, 2018-01-11 This book presents an exciting new approach to the medieval church by examining the role of literary texts visual decorations ritual performance and lived experience in the production of sanctity The meaning of the church was intensely debated in the fourteenth and fifteenth centuries This book explores what was at stake not only for the church's sanctity but for the identity of the parish community as a result Focusing on pastoral material used to teach the laity it shows how the church's status as a sacred space at the heart of the congregation was dangerously but profitably dependent on lay practice The sacred and profane

were inextricably linked and paradoxically the church is shown to thrive on the sacrilegious challenge of lay misbehaviour and sin

***Language and Culture*** David Nunan, Julie Choi, 2010-05-07 This state of the art exploration of language culture and identity is orchestrated through prominent scholars and teachers narratives each weaving together three elements a personal account based on one or more memorable or critical incidents that occurred in the course of learning or using a second or foreign language an interpretation of the incidents highlighting their impact in terms of culture identity and language the connections between the experiences and observations of the author and existing literature on language culture and identity What makes this book stand out is the way in which authors meld traditional academic approaches to inquiry with their own personalized voices This opens a window on different ways of viewing and doing research in Applied Linguistics and TESOL What gives the book its power is the compelling nature of the narratives themselves Telling stories is a fundamental way of representing and making sense of the human condition These stories unpack in an accessible but rigorous fashion complex socio cultural constructs of culture identity the self and other and reflexivity and offer a way into these constructs for teachers teachers in preparation and neophyte researchers Contributors from around the world give the book broad and international appeal

***Moving Beyond Barriers*** Sandra Seubert, Marcel Hoogenboom, Trudie Knijn, Sybe de Vries, Frans van Waarden, 2018 This book identifies analyses and compares a variety of possible barriers to the exercise of European citizenship and discusses ways to move beyond these barriers It contributes in a multi disciplinary way to a highly topical issue and offers new perspectives on EU citizenship in the sense that it critically analyses concepts of citizenship the way EU citizenship is politically legally and socially institutionalized and elaborates alternatives to the current paths of realizing EU citizenship

***Intercultural Communicative Competence and Individual Differences*** Judit Dombi, 2021-02-19 This book presents a concise critical overview of the literature on intercultural communicative competence ICC and offers insights into research on this concept As a novel contribution to the field the book frames ICC in relation to other learner variables such as motivation willingness to communicate communication apprehension and self perceived communication competence Based on empirical data the study proposes and tests a model of English majors ICC interacting with individual differences related to L2 communication The findings highlight that students beliefs about their own performance their apprehension from communication situations and their language learning motivation were successfully integrated into a new model of intercultural communicative competence as understood in an interactional EFL context

***Corpus Perspectives on the Spoken Models used by EFL Teachers*** Angela Farrell, 2019-11-12 Corpus Perspectives on the Spoken Models used by EFL Teachers illustrates the key principles and practical guidelines for the design and exploitation of corpora for classroom based research Focusing on the nature of the spoken English used by L2 teachers which serves as an implicit target model for learners alongside the curriculum model this book brings an innovative perspective to the on going academic debate concerning the models of spoken English that are taught today Based on

research carried out in the EFL classroom in Ireland this book explores issues and challenges that arise from the use of non standard varieties of spoken English by teachers alongside the use of Standard British English and examines the controversies surrounding sociolinguistic approaches to the study of variation in spoken English combines quantitative corpus linguistic investigations with qualitative functional discourse analytic approaches from pragmatics and SLA for classroom based research demonstrates the ways in which changing trends and perspectives surrounding spoken English may be filtering down to the classroom level Drawing on a corpus of 60 000 words and highlighting strategies and techniques that can be applied by researchers and teachers to their own research context this book is key reading for all pre and in service teachers of EFL as well as researchers in this field Corpus, Culture, Discourse Tamsin Sanderson,2008 Bodily and Spiritual Hygiene in Medieval and Early Modern Literature Albrecht Classen,2017-03-20 While most people today take hygiene and medicine for granted they both have had their own history We can gain deep insights into the pre modern world by studying its health care system its approaches to medicine and concept of hygiene Already the early Middle Ages witnessed great interest in bathing hot and cold swimming and good personal hygiene Medical activities grew over time but even early medieval monks were already great experts in treating the sick The contributions examine literary medical historical texts and images and probe the information we can glean from them The interdisciplinary approach of this volume makes it possible to view this large field in a complex and diversified manner taking into account both early medieval and early modern treatises on medicine water bathing and health Such a cultural historical perspective creates a most valuable bridge connecting literary and scientific documents under the umbrella of the history of mentality and history of everyday life The volume does not aim at idealizing the past but it definitely intends to deconstruct modern myths about the dirty and unhealthy Middle Ages and early modern age *Identity and Pragmatic Language Use* Yoko Nogami,2020-06-22 ELF English as a lingua franca research counters the monocentric view of English based on norms of native speakers of English and supports any usages reflecting sociopragmatic and pragmalinguistic reality of ELF communication Such an approach empowers any speakers of English to contemplate their own varieties of English as legitimate providing them greater options for positive self identification Based on qualitative and interpretive methodology this book illustrates how Japanese L2 English users establish identities related to L2 English as part of their multiple identities and how they explore new identity options through ELF Moreover the author demonstrates how power relations relating to English language are constructed through the participants experiences in ELF interactions Also analysis of the data reveals that to what degree the Japanese L2 English users wish to affiliate with particular groups in ELF interactions with people from diverse cultural background Because of the multidisciplinary nature of the study this book will appeal to a broad audience such as scholars and students who are interested in further understanding of identity and sociocultural issues involved in intercultural communication Pop Culture in Language Education Valentin Werner,Friederike Tegge,2020-11-23 Pop Culture in Language Education

provides comprehensive insight on how studies of pop culture can inform language teaching and learning The volume offers a state of the art overview of empirically informed cutting edge research that tackles both theoretical concerns and practical implications The book focuses on how a diverse array of pop culture artifacts such as pop and rap music movies and TV series comics and cartoons fan fiction and video games can be exploited for the development of language skills It establishes the study of pop culture and its language as a serious subfield within language education and applied linguistics and explores how studies of pop culture its language and its non linguistic affordances can inform language education at various levels of proficiency and with various learner populations Presenting a broad range of quantitative and qualitative research approaches including case studies on how pop culture has been used successfully in language education in and beyond the classroom this book will be of great interest for academics researchers and students in the field of language education applied linguistics psycholinguistics and sociolinguistics as well as for language teachers and materials developers

Anglophone Literature in Second-Language Teacher Education Justin Quinn, Gabriela Kleckova, 2021-03-15 Anglophone Literature in Second Language Teacher Education proposes new ways that literature and more generally culture can be used to educate future teachers of English as a second language Arguing that the way literature is used in language teacher education can be transformed the book foregrounds transnational approaches and shows how these can be applied in literature and cultural instruction to encourage intercultural awareness in future language educators It draws on theoretical discussions from literary and cultural studies as well as applied linguistics and is an example how these cross discipline conversations can take place and thus help make Second language teacher education SLTE programs more responsive to the challenges faced by future English language teachers Written in the idiom of literary scholarship the book uses ideas of intercultural studies that have gained widespread support at research level yet have not affected literature cultural curricula in SLTE As the first interdisciplinary study to suggest how SLTE programs can respond with curricula this book will be of great interest for academics scholars and post graduate students in the fields of applied linguistics L2 and foreign language education teacher education and post graduate TESOL It has universal appeal addressing teaching faculty in any third level institution that prepares language teachers and includes literary studies in their curriculum as well as administrators in such organizations
