Empress of Quintessence Laurie Adams,2016-04-01 A conversation with a wealthy neighbour gives environmentalist Maria a chance to undertake her dream project building a world class eco friendly wellness facility in the heart of the Niagara Escarpment one that is uncompromising in its commitment to an environmental and wholistic sound practice But the chance comes with a catch Not only does Maria have five years to complete her project and turn a profit but she also has to demonstrate that her environmentalist principals are viable in the corporate world or else she has to sell Soon it becomes clear that her development is important to many more people than just herself She and her land in particular become a focal point for mystics spiritualists and healers each with an agenda of their own As Maria progresses in her understanding of the deeper aspects of the metaphysical and paranormal some friends become enemies and some lovers while others drift off into the ether or return from the dead Through them all Maria learns of an ancient spiritual struggle that encapsulates Earth one that she s much more a part of than she ever would have imagined *The North End: A Brief History of Boston's Oldest Neighborhood* Alex R. Goldfeld,2009-06-11 Before evolving into a thriving Little Italy Boston s North End saw a tangled parade of military religious and cultural change Home to prominent historical figures such as Paul Revere this neighborhood

also played host to Samuel Adams and the North End Caucus which masterminded the infamous Boston Tea Party as well as the city's first African American church. From the Boston Massacre to Revere's heroic ride, the North End embodies almost four centuries of strife and celebration, international influence and true American spirit. A small but storied stretch of land, the North End remains the oldest neighborhood in one of the country's most historic cities. [Complete Geography](#) Harmon Bay Niver, 1922

Kelleys Island 1810-1861 - The courageous, poignant & often quirky lives of island pioneers Leslie Korenko, 2009-05-01

Kelleys Island 1810-1861: The courageous, poignant, often quirky lives of island pioneers. By Leslie Korenko. This is the first in a series of history books about Kelleys Island, Ohio. The book is a comprehensive, richly detailed and surprisingly entertaining history of Kelleys Island, a small remote island in Lake Erie. Its history is told by the islanders in their own words, gently blended with narrative text. You can read correspondence and letters to newspapers as well as articles found in an incredible handwritten newspaper, *The Islander*. The island is now a resort, but 175 years ago it was the wilderness. There are stories of the early squatters who occupied this wild, unsettled and remote part of Ohio, as well as first-hand accounts of the building of the Johnson's Island prison and a visit to the soldiers of the 38th Ohio stationed at Somerset, Tennessee during the early days of the Civil War. Covering the period 1810-1861, over 160 illustrations.

[The Pacific Crossing Guide 4th edition](#) Francis Hawkings, 2024-10-10

The definitive work on Pacific crossings. *Cruising The Pacific Crossing Guide* is a complete reference for anyone contemplating sailing the Pacific. From ideal timing, suitable boats, routes, methods of communication, health and provisioning to seasonal weather, departure and arrival ports, facilities, likely costs and dangers, this comprehensive new edition will both inspire dreamers and instill confidence in those about to depart. Completely updated, expanded and refreshed for the new generation of Pacific cruisers, this is the definitive reference relied upon by many thousands of cruisers. Part 1 covers thorough preparation for both East to West and West to East crossings, and Part 2 covers Pacific weather patterns, major routes and landfall ports with useful website links throughout. There are sections on rallies, coral atolls and atoll navigation, the cyclone season and laying up, use of electronic charts, satellite phones versus HF radio, ongoing maintenance and Pacific festivals. Updated with new charts and photographs, the new 4th edition focuses on ports of entry rather than secondary anchorages and expands the North Pacific coverage, making it a valuable resource for sailors doing a North Pacific circuit, particularly US and Canadian sailors from the Pacific North.

An Unfortunate Place to Die Allan Taylor, 2018-03-29

The Islamic terrorist group al Shabaab has overrun Somalia and is believed to be planning a major terrorist attack across the border in neighboring Kenya. US officials are concerned the attack may be aimed at an American target in retaliation for recent drone strikes the US has been conducting against the terrorists. As part of an all-out effort to thwart the attack, the US sends a young intelligence agent, Alex Morgan, to Mombasa, the center of Kenya's Muslim community where al Shabaab is known to

have a covert presence to try to uncover information about the group's plans. But soon after he arrives, Alex and a young French woman he meets run afoul of both al Shabaab and the notoriously corrupt Mombasa police, causing Alex to wonder whether he has in fact been sent into a trap. Caught in a web of terror and deceit, Alex and the young woman must somehow find a way out with their lives hanging in the balance.

1,000 Places to See Before You Die, the second edition Patricia Schultz, 2011-11-15

The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly, full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it tells you what's beautiful, what's fun, and what's just unforgettable everywhere on earth. And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout the book is more budget-conscious: starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer.
