*Harper Collins Concise Handbook for Writers* Adams,1998-03-21      **The HarperCollins Concise Handbook for Writers** Peter Dow Adams,Amy Tickle,1994      *The HarperCollins Concise Handbook for Writers* Peter Dow Adams,Amy Tickle,1994      **The HarperCollins Concise Handbook for Writers** Peter Dow Adams,1994      *Standardising English* Linda Pillière,Wilfrid Andrieu,Valérie Kerfelec,Diana Lewis,2018-03-15 This path breaking study of the standardisation of English goes well beyond the traditional prescriptivism versus descriptivism debate It argues that the way norms are established and enforced is the result of a complex network of social factors and cannot be explained simply by appeals to power and hegemony It brings together insights from leading researchers to re centre the discussion on linguistic communities and language users It examines the philosophy underlying the urge to standardise language and takes a closer look at both well known and lesser known historical dictionaries grammars and usage guides demonstrating that they cannot be simply labelled as prescriptivist Drawing on rich empirical data and case studies it shows how the norm continues to function in society influencing and affecting language users even today      Perspectives on Plagiarism and Intellectual Property in a Postmodern World Lise Buranen,Alice Myers Roy,1999-01-01 Contributors offer many definitions and facets of plagiarism and intellectual property demonstrating that if defining a supposedly simple concept is difficult then applying multiple definitions is even harder creating practical problems in many realms      *Language Prescription* Don Chapman,Jacob D. Rawlins,2020-09-21 This book is a detailed examination of social connections to language evaluation with a specific focus on the values associated with both prescriptivism and descriptivism The chapters written by authors from many different linguistic and national backgrounds use a variety of approaches and methods to discuss values in linguistic prescriptivism In particular the chapters break down the traditional binary approaches that characterize prescriptive discourse to create a view of the complex phenomena associated with prescriptivism and the values of those who practice it Most importantly this volume continues serious academic conversations about prescriptivism and lays the foundation for continued exploration      Intralingual Translation of British Novels Linda Pillière,2021-04-22 Shortlisted for the ESSE 2022 Book Awards Shortlisted for the 2022 SAES AFEA Research Prize Building on an upsurge of interest in the Americanisation of British novels triggered by the Harry Potter series this book explores the various ways that British novels from children s fiction to travelogues and Book Prize winners have been adapted and rewritten for the US market Drawing on a vast corpus of over 80 works and integrating the latest research in multimodality and stylistics Linda Pilli re analyses the modifications introduced to make British English texts more culturally acceptable and accessible to the American English reader From paratextual differences in cover illustrations typeface and footnotes to dialectal changes to lexis tense syntax and punctuation Pilli re explores the sociocultural and ideological pressures involved in intralingual translation and shows how the stylistic effects of such changes including loss of meaning voice rhythm and word play often result in a more muted
