The Healing Power Of Creative Mourning Poems:

The Healing Power of Creative Mourning Jan Yager, Fred Yager, Scott Yager, 2000-04 **Help Yourself Now** Jan Yager, 2021-03-09 How to Find Help for Any Situation Although we live in the age of information and everyone is bombarded with potential sources of help sifting through those possibilities can be a chore This is where Help Yourself comes in With this useful reference author Jan Yager provides an overview of the various situations that most people have to navigate from calling customer service or reporting a crime to finding credible and reliable information about a business health or legal concern Each chapter includes a brief discussion of an issue potential scenarios and listings of relevant national and international organizations Yager also instructs readers on researching state agencies so they can contact appropriate organizations closer to home Important topics of discussion include Health insurance Personal finances Housing assistance Employment services Family planning K 12 education College selection and funding Small business development Legal services Crime victim resources Substance abuse Emergency preparedness And more **The Poetry of Loss** Judith Harris, 2023-05-15 The Poetry of Loss Romantic and Contemporary Elegies presents a renewed look at elegy as a long standing tradition in the literature of loss exploring recent shifts in the continuum of these memorial poems This volume investigates the tensions arising in elegiac formulations of grief through detailed analyses of seminal poets including Wordsworth Keats and Plath using psychoanalytic precepts to reconceptualize consolation through poetic strategies of inner representation and what it might mean for personal and collective experiences of loss Tracing the development of elegy beyond extant readings this volume addresses contemporary constructs of mourning and their attendant polemics within the wider culture as extensions of elegiac longings and the tendency to refuse consolation and cede to the endlessness of grief Furthermore this book concludes that contemporary elegies break with conventions of poetic structure and expression rather than the poets seeking resolution to grief through compensation they often find themselves dwelling within the loss rather than externalizing and transcending it The Poetry of Loss Romantic and Contemporary Elegies examines these developing psychoanalytic concepts pertaining to a poetics of loss providing readers with a new appreciation of mourning culture and contemporary attitudes towards grief **Grief and the Expressive Arts** Barbara E. Thompson, Robert A. Neimeyer, 2014-01-10 The use of the arts in psychotherapy is a burgeoning area of interest particularly in the field of bereavement where it is a staple intervention in hospice programs children s grief camps specialized programs for trauma or combat exposure work with bereaved parents widowed elders or suicide survivors and in many other contexts But how should clinicians differentiate between the many different approaches and techniques and what criteria should they use to decide which technique to use and when Grief and the Expressive Arts provides the answers using a crisp coherent structure that creates a conceptual and relational scaffold for an artistically inclined grief therapy Each of the book s brief chapters is accessible and clearly focused conveying concrete methods and anchoring them in brief case studies across a range of

approaches featuring music creative writing visual arts dance and movement theatre and performance and multi modal practices Any clinician expressive arts therapist grief counselor or something in between looking for a professionally oriented but scientifically informed book for guidance and inspiration need look no further than *Grief and the Expressive Arts*
