#### The Healing Waters Of Cacique Spring:

The Healing Waters of Cacique Spring James Nathan Post, 2001-07-17 Young New Mexico archaeology professor Buck Tyler is a media hound pot hunter and womanizer When a grizzled publisher of treasure hunting stories hires him to persuade an group of psychic forensic investigators to use their powers to locate ancient Anasazi healing sites they are joined by beautiful Pueblo Indian psychic touch reader Sharon Hightower on an expedition to a tiny village in southern New Mexico There they discover the record of a tale of betrayal murder a wrongfully acquired Indian healing spring and an Anasazi ceremonial cave When it becomes apparent that someone among the principals is involved in that long past deception they must discover the shaman s mystic secret to survive Beautiful America Vernon Quinn, 1923 Chambers's Journal of Popular Literature, Science and Arts, 1887 Chambers's Edinburgh Journal ,1887 Chamber's Journal of Popular Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 Literature, Science and Arts, 1886 **Phoenix** D. A. Brading, 2001 Juan Diego to whom the Virgin Mary appeared in 1531 miraculously imprinting her likeness on his cape was canonised in Mexico in 2002 by Pope John Paul II In 1999 the revered image of Our Lady of Guadalupe had been proclaimed patron saint of the Americas by the Pope How did a poor Indian and a sixteenth century Mexican painting of the Virgin Mary attract such unprecedented honours Across the centuries the enigmatic power of the image has aroused fervent devotion in Mexico it served as the banner of the rebellion against Spanish rule and despite scepticism and anti clericalism still remains a potent symbol of the modern nation This book traces the intellectual origins the sudden efflorescence and the adamantine resilience of the tradition of Our Lady of Guadalupe and will fascinate anyone concerned with the history of *Indigenous Elites and Creole Identity in Colonial Mexico, 1500–1800* Peter B. Villella, 2016-01-25 religion and its symbols Modern Mexico derives many of its richest symbols of national heritage and identity from the Aztec legacy even as it remains a predominantly Spanish speaking Christian society This volume argues that the composite neo Aztec flavor of Mexican identity was in part a consequence of active efforts by indigenous elites after the Spanish conquest to grandfather ancestral rights into the colonial era By emphasizing the antiquity of their claims before Spanish officials native leaders extended the historical awareness of the colonial regime into the pre Hispanic past and therefore also the themes emotional contours and beginning points of what we today understand as Mexican history This emphasis on ancient roots moreover resonated with the patriotic longings of many creoles descendants of Spaniards born in Mexico Alienated by Spanish scorn creoles associated with indigenous elites and studied their histories thereby reinventing themselves as Mexico s new native The Capital, 1897 leadership and the heirs to its prestigious antiquity Chambers's Journal of Popular Literature, **Indigenous Sacraments** Oriol Ambrogio Gali,2024-12 Indigenous Sacraments provides the Science and Arts ,1887 first study of Indigenous perceptions of the Christian sacraments at the fringes of colonial Spanish America particularly in the missions established by the Jesuits in northwestern Mexico central southern Chile and the Gran Chaco After Jesuit

missionaries arrived in these regions between the end of the sixteenth and the early seventeenth centuries their sacraments came to control every rite of passage from birth to reaching adulthood to the formation of new families to death Through the administration of the sacraments missionaries intended to replace extant Indigenous habits and beliefs with Christian values The disruptions triggered by such processes raised multiple local reactions from initial curiosity and incomprehension to rejection partial acceptance and ritual imitation Locals debated the newly introduced rituals and both violently rejected them and developed their own versions becoming active participants in the sacraments diffusion Oriol Ambrogio Gali draws on a range of diverse sources to explore the changing attitudes toward the sacraments and to highlight the cultural and religious evolution of the Indigenous groups living at the fringes of Spanish America By exploring local perceptions of the Christian sacraments Ambrogio Gali shows that Indigenous peoples were far from static recipients of Christianity in the Americas
