Yassa,2005-07 This is a Bible based book that provides the path to which one can achieve pure and permanent satisfaction Satisfaction is met when one pacifies the heart s desire Every move that we make no matter what it may be is based on the ultimate pursuit of satisfying one s heart s desire For some the heart s desire is to own their own business for others the heart s desire is to find the love of their life There are various things in just one individual s life not even counting the rest of the population that want different things in which the ultimate pursuit is satisfying the heart s desire There is however one sure Thing that we all desire above everything else That in order to be completely satisfied even when we have reached all of our goals we must have in our lives and will never fail to completely satisfy the heart s desire The one Thing is indefinitely the heart s desire and if absent one will never be truly satisfied That one Thing is the Holy Spirit The implication that the Holy Spirit is the heart s desire is based on the premise that love joy and peace are the virtues of which people are most pursuant These virtues are

without coincidence the fruits of the Holy Spirit Each of these fruits is laid out consecutively as individual chapters Within each chapter is the discovery of what the essence of the fruits is and how they apply to our relationship with God and our relationships and interactions with others The consecutive layout of love joy and peace is the path to achieving pure and permanent satisfaction
