The Hell Born:

The Hellborn King Christopher G. Brenning,2021-04-05 A kingdom at war A royal family at war with itself After the massacre of his people Damien Dreadfire leads a patchwork army of unlikely allies against the Kingdom of Betanthia The alliance teeters on the edge of a knife as old rivalries between clans threaten to tear it apart With the help of his trusted friend Einarr and a strange mystic Damien launches a bold offensive that will decide the future of the free lands Short on time and even shorter on men the fate of a once vibrant culture and its people rests on the outcome of the next battle Meanwhile Betanthia s crown prince Gareth Bethard faces dangers of his own With his family coming apart at the seams and a growing conspiracy afoot he tries desperately to hold everything together Even as Gareth grapples with inner demons he must learn to take up his father s mantle as the protector of civilization and defeat Damien s invading horde It s only the fate of a thousand year dynasty resting on his shoulders after all

Mendoria: The Descent of Hellborn Claire Gailer,2023-03-31 From the ashes of Earth s demise the beautiful and peaceful world of Mendoria was born In it every creature is born under one of the six elements earth air fire water dark and light However Mendoria s peace would soon come to an end When a group of lowlife fire bandits attack an innocent village it leaves a young boy Cademon Velenture parentless and hungry for revenge But his quest quickly leads to an unsuspecting turn when he starts to grow a connection with Mendoria s higher deity the Goddess Superior However when things begin to turn south he becomes something no one could have foreseen As his mind body and heart start to descend and decay can he still win his beloved immortal s love Dear reader read at your own risk For opening yourself to such a world can bring both beauty and danger In order for us to embrace the light there must be darkness After all what would you do if everything you loved was taken from you

Militant Hellborn #1 Alex Rodriguez,2023-01-19 As seen in chapter 0 Satan realizes that something was not right in the underworld Now John Darcon enjoyed a good life after surrendering his weapons and joining the civilian life and is dedicated to agriculture only he did not expect that his former comrades in arms would find him to kill him because for them it was treason to surrender their weapons in the peace treaty so he is killed along with his fianc e Immediately his soul is captured by some entities called Darkcherub that take him to another part of hell and make him possessor of a supernatural entity called Hellborn
