

The Hide Hunters

Kansas. State Board of Agriculture

The Hide Hunters:

The Hide Hunters Lewis B. Patten, 2006 Jess Burdett was just a solitary buffalo hunter en route to join a group of others in the Indian country south of the Arkanasa The killing of the buffalo was prohibited and that meant danger enough but there is further trouble for Burdett *The Buffalo Hunters: The Story of the Hide Hunters* Mari Sandoz, 1954 *The Hide*

Hunters Lewis B. Patten, 1983-04-05 **The Buffalo Hunters** Mari Sandoz, 1978-01-01 In 1867 the total number of buffaloes in the trans Missouri region was conservatively estimated at fifteen million By the end of the 1880s that figure had dwindled to a few hundred The destruction of the great herds is the theme of this book Mari Sandoz's canvas is vast but it is charged with color and excitement accounts of Indian ambushes hairbreadth escapes gambling and gunfights military expeditions famous frontier characters Wild Bill Hickok Lonesome Charlie Reynolds Buffalo Bill Sheridan Custer and Indian Chiefs Whistler Yellow Wolf Spotted Tail and Sitting Bull **The Market in Birds** Andrea L. Smalley, 2022-04-05 A fascinating look at how a commercial market for birds in the late nineteenth century set the stage for conservation and its legislation Between the end of the Civil War and the 1920s the United States witnessed the creation rapid expansion and then disappearance of a commercial market for hunted wild animals The bulk of commercial wildlife sales in the last part of the nineteenth century were of wildfowl who were prized not only for their eggs and meat but also for their beautiful feathers Wild birds were brought to cities in those years to be sold as food for customers tables decorations for ladies hats treasured pets and specimens for collectors cabinets Though relatively short lived this market in birds was broadly influential its rise and fall coinciding with the birth of the Progressive Era conservation movement In *The Market in Birds* historian Andrea L. Smalley and wildlife biologist Henry M. Reeves illuminate this crucial chapter in American environmental history Touching on ecology economics law and culture the authors reveal how commercial hunting set the terms for wildlife conservation and the first federal wildlife legislation at the turn of the twentieth century Smalley and Reeves delve into the ground level interactions among market hunters game dealers consumers sportsmen conservationists and the wild birds they all wanted Ultimately they argue wildfowl commercialization represented a revolutionary shift in wildlife use turning what had been a mostly limited local and seasonal trade into an interstate industrial capitalist enterprise In the process it provoked a critical public debate over the value of wildlife in a modern consumer culture By the turn of the twentieth century the authors reveal it was clear that wild bird populations were declining precipitously all over North America The looming possibility of a future without birds sparked intense debate nationwide and eventually culminated in the 1918 Migratory Bird Treaty Act Scholars environmentalists wildlife professionals and anyone concerned about wildlife will find this new perspective on conservation history enlightening reading **Buffalo Bill and Sitting Bull** Bobby Bridger, 2002 Army scout buffalo hunter Indian fighter and impresario of the world renowned Wild West Show William F. Buffalo Bill Cody lived the real American West and also helped create the West of the imagination Born in 1846 he took part in the great westward migration hunted the buffalo and

made friends among the Plains Indians who gave him the name Pahaska long hair But as the frontier closed and his role in winning the West passed into legend Buffalo Bill found himself becoming the symbol of the destruction of the buffalo and the American Indian Deeply dismayed he spent the rest of his life working to save the remaining buffalo and to preserve Plains Indian culture through his Wild West shows This biography of William Cody focuses on his lifelong relationship with Plains Indians a vital part of his life story that surprisingly has been seldom told Bobby Bridger draws on many historical accounts and Cody s own memoirs to show how deeply intertwined Cody s life was with the Plains Indians In particular he demonstrates that the Lakota and Cheyenne were active cocreators of the Wild West shows which helped them preserve the spiritual essence of their culture in the reservation era while also imparting something of it to white society in America and Europe This dual story of Buffalo Bill and the Plains Indians clearly reveals how one West was lost and another born within the lifetime of one remarkable man **A Wild-animal Round-up** William Temple Hornaday,1925 **Self-Determination**

Terry Lee Anderson,Bruce L. Benson,Thomas Flanagan,2006 This book compares and contrasts historical and contemporary Canadian and U S Native American policy The contributors include economists political scientists and lawyers who despite analyzing a number of different groups in several eras consistently take a political economy approach to the issues Using this framework the authors examine the evolution of property rights from wildlife in pre Columbian times and the potential for using property rights to resolve contemporary fish and wildlife issues to the importance of customs and culture to resource use decisions the competition from states for Native American casino revenues and the impact of sovereignty on economic development In each case the chapters present new data and new ways of thinking about old evidence In addition to providing a framework for analysis and new data this book suggests how Native American and First Nation policy might be reformed toward the end of sustainable economic development cultural integrity and self determination For these reasons the book should be of interest to scholars policy analysts and students of Native American law economics and resource use as well as those interested in the history of Native Americans and Canada s First Nations **Cheyenne Autumn** Mari

Sandoz,2005-01-01 In the autumn of 1878 a band of Cheyenne Indians set out from Indian Territory where they had been sent by the U S government to return to their homeland in Yellowstone country Mari Sandoz tells the saga of their

heartbreaking fifteen hundred mile flight Alan Boye provides an introduction to this Bison Books edition **The Shaggy**

Legion Hal G. Evarts,2022-08-01 DigiCat Publishing presents to you this special edition of The Shaggy Legion by Hal G Evarts DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature **Quarterly Report**

of the Kansas State Board of Agriculture, for the Quarter Ending ... Kansas. State Board of Agriculture,1874

also Transactions of the Kansas Academy of Science **Transactions** Kansas. State Board of Agriculture,1874 **Biennial Report of the Kansas State Board of Agriculture** Kansas. State Board of Agriculture,1874 Vols for 1874 76 include also Transactions of the Kansas Academy of Science *Annual Report to the Legislature of Kansas* Kansas. State Board of Agriculture,1874 *Great Plains Bison* Dan O'Brien,2017-09 A Project of the Center for Great Plains Studies and the School of Natural Resources University of Nebraska Great Plains Bison traces the history and ecology of this American symbol from the origins of the great herds that once dominated the prairie to its near extinction in the late nineteenth century and the subsequent efforts to restore the bison population A longtime wildlife biologist and one of the most powerful literary voices on the Great Plains Dan O'Brien has managed his own ethically run buffalo ranch since 1997 Drawing on both extensive research and decades of personal experience he details not only the natural history of the bison but also its prominent symbolism in Native American culture and its rise as an icon of the Great Plains Great Plains Bison is a tribute to the bison's essential place at the heart of the North American prairie and its ability to inspire naturalists and wildlife advocates in the fight to preserve American biodiversity *The Hunting of the Buffalo* E. Douglas Branch,1997-01-01 The Hunting of the Buffalo originally published in 1929 tells all about the marvelous and useful animal that once roamed the American plains Its gradual extermination is chronicled by E Douglas Branch who drew on rich materials including Indian legends old letters and diaries and tales of frontier travelers No one has ever written more memorably about the great herds their habits and haunts their importance to the Indians their discovery by awed whites their decimation by huge cultural and economic forces

Bison and People on the North American Great Plains Geoff Cunfer,Bill Waiser,2016-10-04 The near disappearance of the American bison in the nineteenth century is commonly understood to be the result of over hunting capitalist greed and all but genocidal military policy This interpretation remains seductive because of its simplicity there are villains and victims in this familiar cautionary tale of the American frontier But as this volume of groundbreaking scholarship shows the story of the bison's demise is actually quite nuanced *Bison and People on the North American Great Plains* brings together voices from several disciplines to offer new insights on the relationship between humans and animals that approached extinction The essays here transcend the border between the United States and Canada to provide a continental context Contributors include historians archaeologists anthropologists paleontologists and Native American perspectives This book explores the deep past and examines the latest knowledge on bison anatomy and physiology how bison responded to climate change especially drought and early bison hunters and pre contact trade It also focuses on the era of European contact in particular the arrival of the horse and some of the first known instances of over hunting By the nineteenth century bison reached a tipping point as a result of new tanning practices an early attempt at protective legislation and ventures to introducing cattle as a replacement stock The book concludes with a Lakota perspective featuring new ethnohistorical research *Bison and People on the North American Great Plains* is a major contribution to environmental history western history and the growing

field of transnational history The Destruction of the Bison Andrew C. Isenberg, 2020-03-26 For the last twenty years The Destruction of the Bison has been an essential work in environmental history Andrew C Isenberg offers a concise analysis of the near extinction of the North American bison population from an estimated 30 million in 1800 to fewer than 1000 a century later His wide ranging interdisciplinary study carefully considers the multiple causes cultural and ecological of the destruction of the species The twentieth anniversary edition includes a new foreword connecting this seminal work to developments in the field notably new perspectives in Native American history and the rise of transnational history and placing the story of the bison in global context A new afterword extends the study to the twenty first century underlining the continued importance of this ground breaking text for current and future students and scholars **Pigs, Peccaries, and Hippos** William L. R. Oliver, IUCN/SSC Pigs and Peccaries Specialist Group, IUCN/SSC Hippo Specialist Group, 1993

This is likewise one of the factors by obtaining the soft documents of this **The Hide Hunters** by online.
