*Intermedial Performance and Politics in the Public Sphere* Katia Arfara, Aneta Mancewicz, Ralf Remshardt, 2018-06-05

This volume is a collection of scholarly articles and interviews with intermedial artists working with the concepts of public sphere at the intersection of aesthetics and politics. It explores the response of socially engaged artistic practices to the current crisis in politics and media. It also critically examines urgent issues such as rampant nationalism and populism, expanding neoliberalism, the refugee crisis, growing insulations of corporate and cyber culture, and the ongoing geopolitical changes in the Middle East. Can intermedial performances reflect the present artistic and political dilemmas in Europe and beyond? The collection provides theoretical frameworks that interrogate the role that spectators as citizens can play in our mediatized world while focusing on the functions of immersion, participation, and civic engagement in contemporary performance and society. The collection provides analyses by international scholars from Europe, Asia, and the USA covering global performance created in the twenty-first century. It also introduces interviews with internationally acclaimed intermedial artists and companies such as BERLIN Rimini Protokoll, Dries Verhoeven, Akira Takayama, and Kris Verdonck.

The Code of Federal Regulations of the United States of America, 1997. The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government. American Machinist & Automated Manufacturing, 1924. Report of a Commission Appointed by His Excellency the Lieutenant-Governor to Enquire Into And, Report Upon the Use of Winding Ropes, Safety Catches and Appliances in Mine Shafts Transvaal (Colony). Winding ropes and safety catch commission, 1907.
