Shelley Stamp

The Hapless Girl:

The Invisible Girl Mary Shelley, 2021-08-09 *The Invisible Girl* Mary Shelley *The Invisible Girl* is a Gothic tale written by Mary Shelley and first published in *The Keepsake* for 1833. The tale is set in Wales and tells the story of a young woman named Rosina who lives with her guardian Sir Peter Vernon and is secretly engaged to his son Henry. Henry is away from home when their relationship is discovered and Sir Peter casts Rosina out of the house. Sir Peter regrets his harshness and searches for her but assumes she is dead when she cannot be found. Henry returns home to the news of Rosina's death and is heartbroken. He joins the search for her body and the villagers tell him about the Invisible Girl, a ghostly figure who wanders the woods at night. Henry finds Rosina hiding in a remote ruin and discovers that she is really the Invisible Girl. Sir Peter forgives them for their secret engagement and they are married.

Ciris, 2020-12-31 *The Ciris* is a small scale epic poem which relates the myth of Scylla, daughter of King Nisus of Megara who betrayed her homeland for love and was transformed into a sea bird. It is one of the poems in the *Appendix Vergiliana*, a collection that has been ascribed to Virgil as his *carmina minora*. Earlier scholarship has mostly been concerned to prove that the *Ciris* is not by Virgil and then to demonstrate that it is a late and derivative composition of little intrinsic merit. The present book argues that *Ciris* was composed by a contemporary of Virgil, a product of the golden age of Latin poetry. It aims to bring the poem to the attention of modern readers and to rescue it from ill-deserved neglect. The introduction presents detailed linguistic, literary and historical arguments in support of this early composition date and offers a state-of-the-art account of the textual witnesses and the manuscript tradition. The critical text and apparatus are based on a systematic first-hand analysis of manuscript evidence as well as the rigorous application of text-critical methods. The new text as close to the original *Ciris* as can be achieved includes over one hundred and fifty changes from previous editions. By engaging with textual scholarship on the poem from the fifteenth to the twenty-first century, the line-by-line commentary provides a comprehensive guide to the numerous textual problems and is an important contribution to the stylistic and linguistic analysis of golden age Latin poetry.

Justin Davis Howard Resnick, 2023-12-19 What if an ancient Sanskrit text holds the key to solving today's deepest problems? That's the question Justin Davis is faced with as he embarks on a hero's journey to save the world in this thrilling spiritual fantasy. Justin Davis is a brilliant but greatly troubled West Virginia teen struggling with his father's brutal murder and his once-wealthy family's loss of money, status, dignity and hope. Broken, angry and bitter, Justin has all but given up on life. But then on his fifteenth birthday, his mother presents him with a mysterious gift: a copy of *The First Avatara*, a lush, beautifully illustrated book relating the immemorial legend of Kṛṣṇa. When evil Asura forces attacked the idyllic planet of Bhū-loka and threatened to enslave its inhabitants, Kṛṣṇa, the first Avatara, descended to that world in its darkest hour and fought to save its people and preserve its way of life. Enthralled by the tale, Justin enters the story as much more than just a reader and is challenged to undertake a hero's journey of his own, not just through time but

also into the depths of his own soul In the process he will experience love loss courage and sacrifice that compel him to cast aside a life of self pity and indulgence and heroically confront a startling evil that threatens his family and the world
