*The Harder They Come* Michael Thelwell, 1980 Noises in the Blood Carolyn Cooper, 1995-02-08 The language of Jamaican popular culture its folklore idioms music poetry song even when written is based on a tradition of sound an orality that has often been denigrated as not worthy of serious study In *Noises in the Blood* Carolyn Cooper critically examines the dismissed discourse of Jamaica's vibrant popular culture and reclaims these cultural forms both oral and textual from an undeserved neglect Cooper's exploration of Jamaican popular culture covers a wide

range of topics including Bob Marley's lyrics the performance poetry of Louise Bennett Mikey Smith and Jean Binta Breeze Michael Thelwell's novelization of *The Harder They Come* the Sistren Theater Collective's *Lionheart Gal* and the vitality of the Jamaican DJ culture Her analysis of this cultural noise conveys the powerful and evocative content of these writers and performers and emphasizes their contribution to an undervalued Caribbean identity Making the connection between this orality the feminized Jamaican mother tongue and the characterization of this culture as low or coarse or vulgar she incorporates issues of gender into her postcolonial perspective Cooper powerfully argues that these contemporary vernacular forms must be recognized as genuine expressions of Jamaican culture and as expressions of resistance to marginalization racism and sexism With its focus on the continuum of oral textual performance in Jamaican culture *Noises in the Blood* vividly and stylishly written offers a distinctive approach to Caribbean cultural studies

*The Shelf* Phyllis Rose, 2014-05-13  
Phyllis Rose embarks on a grand literary experiment to systematically read her way through a random shelf of books in the library LEQ LES fairly sure that no one in the history of the world has read exactly this series of novels An original take on literary taste and habits by the acclaimed author of *Parallel Lives* Rose after a career of reading from syllabuses and writing about canonical books decided to read like an explorer She wanted to sample more democratically the actual ground of literature Casting herself into the untracked wilderness of the New York Society Library's stacks she chose a shelf of fiction almost at random and read her way through it What results is a spirited experiment in Off Road or Extreme Reading Rose's shelf of roughly thirty books has everything she could wish for a remarkable variety of authors and a range of literary ambitions and styles The early nineteenth century Russian classic *A Hero of Our Time* by Mikhail Lermontov is spine by spine with *The Phantom of the Opera* by Gaston Leroux Stories of French Canadian farmers sit beside tales about aristocratic Austrians California detective novels about a novel from an Afrikaans writer who fascinates Rose to the extent that she ends up watching a YouTube video of his funeral A joyous testament to the thrill of engagement with books high and low *The Shelf* leaves us with the feeling that there are treasures to be found on every library or bookstore shelf Rose investigates her own discoveries with exuberance candor and while pondering the many questions her experiment raises and measuring her discoveries against her own inner shelf Exhilarating adventurous original Phyllis Rose's *The Shelf* is a reminder of what reading and writing are all about Azar Nafisi author of *Reading Lolita in Tehran*

*The Western in the Global South* MaryEllen Higgins, Rita Keresztesi, Dayna Oscherwitz, 2015-04-24  
*The Western in the Global South* investigates the Western film genre's impact migrations and reconfigurations in the Global South Contributors explore how cosmopolitan directors have engaged with appropriated and subverted the tropes and conventions of Hollywood and Italian Westerns and how Global South Westerns and Post Westerns in particular address the inequities brought about by postcolonial patriarchy globalization and neoliberalism The book offers a wide range of historical engagements with the genre from African Caribbean South and Southeast Asian Central and South American and transnational directors The contributors employ

interdisciplinary cultural studies approaches to cinema integrating aesthetic considerations with historical political and gender studies readings of the international appropriations and U S re appropriations of the Western genre Diasporic Lives Marlene Calvin, 2010 African Americans and Jamaicans share a common past of forced dispersion from their original homelands and enslavement in the Americas The legacies of white supremacy racism and Euro centrism are still influential in both societies today The conditions of alienation and violence which are represented in African American and Jamaican cultural texts are tied to the sociological development of both societies The processes of having to prove their humanity as cultural communities and as individuals have caused many African diasporic people to become alienated from and violated by the societies they live in *The Oxford History of the Novel in English* Simon Gikandi, 2016-09-05 Why did the novel take such a long time to emerge in the colonial world And what cultural work did it come to perform in societies where subjects were not free and modes of social organization diverged from the European cultural centers where the novel gained its form and audience Answering these questions and more Volume 11 The Novel in Africa and the Caribbean since 1950 explores the institutions of cultural production that exerted influence in late colonialism from missionary schools and metropolitan publishers to universities and small presses How these structures provoke and respond to the literary trends and social peculiarities of Africa and the Caribbean impacts not only the writing and reading of novels in those regions but also has a transformative effect on the novel as a global phenomenon Together the volume s 32 contributing experts tell a story about the close relationship between the novel and the project of decolonization and explore the multiple ways in which novels enable readers to imagine communities beyond their own and thus made this form of literature a compelling catalyst for cultural transformation The authors show that even as the novel grows in Africa and the Caribbean as a mark of the elites mastery of European form it becomes the essential instrument for critiquing colonialism and for articulating the new horizons of cultural nationalism Within this historical context the volume examines works by authors such as Chinua Achebe Nadine Gordimer George Lamming Jamaica Kincaid V S Naipaul Zoe Wicomb J M Coetzee and many others **L'ecrivain Caribéen, Guerrier de L'imaginaire** Kathleen Gyssels, Bénédicte Ledent, 2008 This bilingual collection illustrates the concept of the Warrior of the Imaginary as defined by Patrick Chamoiseau in a multi faceted corpus of texts Francophone contributions explore the role of the Caribbean writer in works by Chamoiseau douard Glissant Daniel Maximin and Joseph Zobel Essays in English focus not only on familiar writers Dionne Brand Edwidge Danticat Wilson Harris Jamaica Kincaid Caryl Phillips Derek Walcott but also on less widely studied voices Robert Antoni Albert Helman Other contributions deal with such fighting areas as Afro Brazilian music film and Mutabaruka s militant poetry The whole testifies to a surprisingly coherent imaginary one that goes beyond the balkanization of the Caribbean archipelago Dans ce collectif bilingue le concept de Guerrier de l'imaginaire tel que défini par Patrick Chamoiseau est illustré par un corpus de textes variés Plusieurs des articles en français engagent directement le cycle romanesque de l'auteur martiniquais d'autres tendent l'interrogation de la

fonction de l'auteur caribéen en littérature glissantienne maximinienne et zolienne traduits en anglais portent sur des écrivains dont le renom n'est plus à faire : Dionne Brand, Edwidge Danticat, Wilson Harris, Jamaica Kincaid, Caryl Phillips, Derek Walcott, mais donnent aussi la parole des auteurs jusqu'à présent moins connus : Robert Antoni, Albert Helman. Enfin, quelques-unes des contributions portent sur d'autres terrains de lutte, comme la musique afro-brésilienne, le cinéma ou la poésie militante de Mutabaruka. L'ensemble témoigne d'un imaginaire tonnamment confluant au-delà de la balkanisation de l'archipel caribéen.

*The Penguin Book of Caribbean Verse in English* Paula Burnett, 2005-11-03 Over the last few decades Caribbean writers, performance poets, newspaper poets, singer-songwriters have created a genuinely popular art form, a poetry heard by audiences all over the world. At the same time, even at its most literary, Caribbean poetry shares the vigour of the oral tradition. Writers like Nobel Prize winner Derek Walcott and many other exciting new voices are exploring ways of capturing the vitality of the spoken word on the page. Both of these traditions are represented in this lively anthology which traces Caribbean verse from its roots to the present.

*On Racial Frontiers* Gregory Stephens, 1999-06-28 Frederick Douglass, Ralph Ellison and Bob Marley each inhabited the shared but contested space at the frontiers of race. Gregory Stephens shows how their interactions with mixed audiences made them key figures in a previously hidden interracial consciousness and culture, and integrative ancestors who can be claimed by more than one racial or national group. Douglass, something of an Irishman as well as a Negro, was an abolitionist but also a critic of black racialism. Ellison's *Invisible Man* is a landmark of modernity and black literature which illustrates the true interrelatedness of blackness and whiteness. Marley's allegiance was to God's side who caused me to come from black and white. His Bible-based *Songs of Freedom* envisage a world in which black liberation and multiracial redemption co-exist. The lives of these three men illustrate how our notions of race have been constructed out of a repression of the interracial.

*The West Indian Novel and Its Background* Kenneth Ramchand, 2004 An account of the emergence of the West Indian novel in English, this work provides valuable insights into the social, cultural and political background, offering concise and focused accounts of the growth of education, the development of literacy and the formation of West Indian Creole languages.

*World Literature, Neoliberalism, and the Culture of Discontent* Sharae Deckard, Stephen Shapiro, 2019-01-30 This book explains neoliberalism as a phenomenon of the capitalist world system. Many writers focus on the cultural or ideological symptoms of neoliberalism only when they are experienced in Europe and America. This collection seeks to restore globalized capitalism as the primary object of critique and to distinguish between neoliberal ideology and processes of neoliberalization. It explores the ways in which cultural studies can teach us about aspects of neoliberalism that economics and political journalism cannot or have not. The particular affects, subjectivities, bodily dispositions, socio-ecological relations, genres, forms of understanding and modes of political resistance that register neoliberalism. Using a world systems perspective for cultural studies, the essays in this collection examine cultural productions from across the neoliberal world system, bringing together works that might have in the past been separated into
