**The Harrison Affair** Gerald Seymour,1981-06      *The Harrison Affair* Gerald Seymour,1980      **A Worldly Affair**

Pamela Hanlon,2017-09-05 The tumultuous entertaining true story of how the city has welcomed the world's leaders and diplomats or not For over seven decades New York City and the United Nations have shared the island of Manhattan coexisting in a bond likened to a long marriage tempestuous and supportive quarrelsome and committed *A Worldly Affair* tells the story of this hot and cold romance from the 1940s when Mayor La Guardia was doggedly determined to bring the new world body to New York to the UN's flat rejection of the offer then its abrupt change of course and various tense troubling periods in the years since Racial prejudice and anti Communist passions challenged the young international institution Spies scofflaw diplomats provocative foreign visitors and controversial UN member policy positions tested New Yorkers patience And all the while the UN's growth from its original fifty one member states to 193 by 2017 placed demands on the surrounding metropolis for everything from more office space to more security to better housing and schools for the international community's children As the city worked to accommodate the world body's needs New Yorkers at times grew to resent it a sentiment that provoked more than one New York mayor to be less than hospitable in dealing with the city's international guests Yet with the UN headquarters complex freshly renovated and the city proudly proclaiming that the organization adds nearly 4 billion to the New York economy each year it seems clear the decades old marriage will last whatever the inevitable spats and clashes along the way      *The Petrov Affair* Robert Manne,2014-05-17 *The Petrov Affair*

*Politics and Espionage* is a memoir of the Petrov Affair a historical event that involves the defection of Vladimir Petrov a colonel in the Soviet intelligence service in Sydney and the announcement of his defection ten days later by Australian Prime Minister Robert Menzies With information gathered from different reliable sources the book details in chronological order the Petrov's defection the events that occurred before and the factors that led to it its announcement and the implications of this event for politics and espionage The text also explains how the affair affected the Australian people and the world the conclusion of this event and the events that happened after it The book is recommended for historians and history enthusiasts who would want to know more about this particular event The text is also recommended for experts who delve in the Cold War and the Soviet Union      *Affairs of State* Robert P. Watson,2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation's highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes

love lives and sexual peccadilloes As Robert P Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders Affairs of State is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click here To see him discuss the book on C SPAN please click here      **A Rum Affair** Karl

Sabbagh,2016-07-07 A true story of a Scottish isle an eminent professor a lie and an amateur botanist who saw the truth by the author of Antisemitism Wars In the 1940s the eminent British botanist John Heslop Harrison proposed a controversial theory that vegetation on the islands off the west coast of Scotland had survived the last Ice Age His premise flew in the face of what most botanists believed that no plants had survived the 10 000 year period of extreme cold But Heslop Harrison had proof the plants and grasses found on the isle of Rum Harrison didn t anticipate however an amateur botanist called John Raven who boldly questioned whether these grasses were truly indigenous to the area or whether they had been transported there This is the story of what happened when a tenacious amateur set out to find out the truth and how he uncovered a most extraordinary fraud Praise for A Rum Affair A breezy ride informative and amusing Washington Post Book World An exciting scientific detective story Times Literary Supplement      *Columbia Studies in the Social Sciences* ,1926      **Thomas Reid on**
