Pulitzer Prize winning journalist Madeleine Blais tells the dramatic and colorful story of legendary tennis star and international celebrity Alice Marble. In August 1939 Alice Marble graced the cover of Life magazine, photographed by the famed Alfred Eisenstaedt. She was a glamorous worldwide celebrity, having that year won singles, women's doubles, and mixed doubles tennis titles at both Wimbledon and the US Open, then an unprecedented feat. Yet today, one of America's greatest female athletes and most charismatic characters is largely forgotten. Queen of the Court places her back on center stage. Born in 1913, Marble grew up in San Francisco, her favorite sport baseball. Given a tennis racket at age 13, she took to the sport immediately, rising to the top with a powerful, aggressive serve and volley style unseen in women's tennis. A champion at the height of her fame in the late 1930s, she also designed a clothing line in the off-season and sang as a performer in the Sert Room of the Waldorf Astoria Hotel in New York. To rave reviews, World War II derailed her amateur tennis career, but her life off the court was if anything even more eventful. She wrote a series of short books about famous women. She turned professional and joined a pro tour during the War, entertaining and inspiring soldiers and civilians alike. Ever glamorous and connected, she had a part in the 1952 Tracy and Hepburn movie Pat and Mike, and she played tennis with the likes of Charlie Chaplin, Marlene Dietrich, and her great friends Clark Gable and Carole Lombard. However, perhaps her greatest legacy lies in her successful efforts, working largely alone, to persuade the all-white US Lawn Tennis Association to change its policy and allow African American star Althea Gibson to compete for the US championship in 1950, thereby breaking tennis's color barrier. In two memoirs, Marble also showed herself to be an at times unreliable narrator of her own life, which Madeleine Blais navigates skillfully, especially Marble's dramatic claims of having been a spy during World War II. In Queen of the Court, the author of the bestselling *In These Girls Hope Is a Muscle*, recaptures a glittering life story. **True Stories** Norman Sims, Medill School of Journalism, 2007. Journalism in the twentieth century was marked by the rise of literary journalism. Sims traces more than a century of its history, examining the cultural connections, competing journalistic schools of thought, and innovative writers that have given literary journalism its power. Seminal examples of the genre provide ample context and background for the study of this style of journalism. **Catholic Women Confront Their Church** Celia Viggo Wexler, 2024-11-05. Catholic Women Confront Their Church tells the stories of nine exceptional women who have chosen to remain Catholic despite their deep disagreements with the institutional church. From Barbara Blaine, founder of Survivors Network of Those Abused by Priests (SNAP), to Sister Simone Campbell, whose Nuns on the Bus tour for social justice generated national attention, the book highlights women whose stories illustrate not only problems in the church but also the promise of reform. The women profiled span a diverse range of ages, ethnicities, and experiences: single and married, lesbian and straight mothers and sisters. The women profiled share one trait: that faith is bigger than the institutional church. The book's Introduction provides readers with an essential overview of the history of women in the church, and the Conclusion looks at the potential for future change. Ideal for anyone who has struggled with the Catholic church's relationship with

women this moving book offers hope *JQ.
