The Heart of Work SV Nathan,2022-12-26 Work overall is about getting things done and the heart does not normally figure in it But in my many years of work I have seen that the heart has a huge influence on what happens to us what happens around us and what propels us to action Most often people believe building a career is about setting targets and pursuing them relentlessly In this pursuit people sometimes don t mind taking shortcuts and stepping on others toes to move up But those who pursue such a path often forget that the values one upholds in life often carry over into work as well and it is these values that describe a leader the best humility an ability to listen to others an emotional connect with those you work with and building a culture that goes beyond just single minded focus on targets and revenue In The Heart of Work SV Nathan takes us through the length and breadth of his long career that defines work success and happiness Nathan captures pivotal moments that left a deep imprint on him at various points and shaped his life and career These insights told with authenticity and coupled with the benefit of hindsight provide great learning opportunities for readers Narrated in a non preachy jargon less manner the stories in this book will help readers seek and discover their own anchors unlocking their true potential Divine Grace Of Shri Shirdi Sai Baba Dr. S. he can guard himself against the thinking of unrighteous thoughts this is the way of enlightenment and bliss On the other hand he can live loosely and carelessly neglecting the supreme task of rightly ordering his life this is the way of self delusion and suffering Let a man realize that life in its totality proceeds from the mind and lo the way of blessedness is opened up to him For he will then discover that he possesses the power to rule his mind and to fashion it in accordance with his Ideal So will he elect to strongly and steadfastly walk those pathways of thought and action which are altogether excellent to him life will become beautiful and sacred and sooner or later he will put to flight all evil confusion and suffering for it is impossible for a man to fall short of liberation enlightenment and peace who guards with unwearying diligence the gateway of his heart
