The Hidden Force:

The Hidden Force Louis Couperus, 2014-07-01 In *The Hidden Force* Dutch writer Louis Couperus presents a prescient critique of European colonialism that was decades ahead of its time The novel follows Dutch expat Van Oudyck in his life in Java as he comes to grips with the damage wrought by Western incursions into foreign cultures not only on a grand scale but also within his own family

The Hidden Force Louis Couperus, 2012-09-25 Set in Java at the height of Dutch colonial rule in the East Indies Couperus's evocative and sensual narrative depicts the clash between Western rationalism represented by the district commissioner Otto van Oudijck and ancient indigenous mystical traditions upheld by the local native prince Sunario The behaviour of Van Oudijck's promiscuous wife Lonie proves to be his Achilles heel and his seemingly impregnable authority disintegrates

The Hidden Force Louis Couperus, Alexander Teixeira De Mattos, 2025-03-29 *The Hidden Force A Story of Modern Java* by Louis Couperus plunges into the heart of 19th century colonial Java exploring the fraught relationship between Dutch administrators and the local population Set against the backdrop of the Dutch East Indies this historical fiction masterfully depicts the cultural conflicts and simmering tensions that define the era As the ruling class grapples with maintaining control a sense of unease pervades their lives hinting at a force beyond comprehension The story delves into the mysterious and the supernatural suggesting an unseen influence disrupting the established order Couperus paints a vivid portrait of a society on the brink where the weight of colonialism clashes with the enduring spirit and hidden powers of Java *The Hidden Force* remains a powerful exploration of cultural heritage and a timeless depiction of a world caught between tradition and modernity This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
