Free to Be Shirin Etessam,2023-06-20 Do you find yourself feeling unfulfilled Unworthy Like you ve checked all the boxes and built a life a career a family but still something is missing From an early age we re taught that in order to be worthy to find true happiness to be somebody we have to accomplish many things We become achievement machines always grasping for the next big win to send a signal to the world and to ourselves that we ve made it That we are happy But do we ever make it really Are we truly happy not in the livingmybestlife and blessed way in which we caption our social media pages but from a truly contented place of inner peace and joy One where the yearning for the bigger house the better job the younger more pliable spouse takes a backseat to the yearnings of our

hearts and souls a place where contentment just is We re often told to follow our heart that fragile fickle organ at the center of our physical being What s really meant by that idiom is to follow our soul that all knowing ever wise space within all of us But most people have been disconnected from their souls for so long they have no idea where to find it let alone how to follow it Free to Be is a simple six week process of liberating your soul With easy to digest daily exercises it will lead you toward a life of deep fulfillment and lasting contentment That is if you let it If you were given a guide that could reset your life rewrite your story right here and now would you If your answer is yes let s begin Good advice and a simple helpful program for inner well being Jack Kornfield Author Buddhist practitioner Spirit Rock Meditation Center Founding Teacher Words on
