

James A. Michener
and John Kings
**SIX DAYS
IN HAVANA**

Six Days In Havana

**United States. Congress. Senate.
Committee on Finance**

Six Days In Havana:

Six Days in Havana James Albert Michener, John Kings, 1989 James A Michener one of the most celebrated writers of our time has an extraordinary talent for finding the essence of a place His books give readers an unmistakable you are there feeling whether set in the South Seas Alaska Afghanistan or Poland Six Days in Havana has the same immediacy providing glimpses of a city that has been terra incognita to most North Americans for thirty years With his associate John Kings Michener visited Havana during research for a new novel on the Caribbean He was only looking for a house and a sugar plantation in which to set the Cuban portion of his story but he found much more to excite his interest Fascinated initially by the spectacle of once grand public buildings and ornate mansions slowing falling into ruin Michener and Kings set out to explore all of Havana that they could see in six days Six Days in Havana James A. Michener, 2014-12 **Bulletin** USA National Board of Health, 1881 **The Literary Digest**, 1916 **Financier**, 1919 The Michener Companion Sue Binkley Tatem, 2009-12-07 The book is a reference guide to James Michener and his work A general section about Michener relating to his origins in Bucks County is followed by synopses of Michener's books The focus is on information that does not appear elsewhere and a bit of a tour of Doylestown Meet a Michener you may not have met before *Literary Digest*, 1911

American State Trials John Davison Lawson, 1918 **Bulletin** United States. Congress. Senate. Committee on Finance, 1894 The Pride of Havana Roberto Gonzalez Echevarria, 2001-05-24 From the first amateur leagues of the 1860s to the exploits of Livan and Orlando El Duque Hernandez here is the definitive history of baseball in Cuba Roberto Gonzalez Echevarria expertly traces the arc of the game intertwining its heroes and their stories with the politics music dance and literature of the Cuban people What emerges is more than a story of balls and strikes but a richly detailed history of Cuba told from the unique cultural perch of the baseball diamond Filling a void created by Cuba's rejection of bullfighting and Spanish hegemony baseball quickly became a crucial stitch in the complex social fabric of the island By the early 1940s Cuba had become major conduit in spreading the game throughout Latin America and a proving ground for some of the greatest talent in all of baseball where white major leaguers and Negro League players from the U S all competed on the same fields with the cream of Latin talent Indeed readers will be introduced to several black ballplayers of Afro Cuban descent who played in the Major Leagues before Jackie Robinson broke the color barrier once and for all Often dramatic and always culturally resonant Gonzalez Echevarria's narrative expertly lays open the paradox of fierce Cuban independence from the U S with Cuba's love for our national pastime It shows how Fidel Castro cannily associated himself with the sport for patriotic p r and reveals that his supposed baseball talent is purely mythical Based on extensive primary research and a wealth of interviews the colorful often dramatic anecdotes and stories in this distinguished book comprise the most comprehensive history of Cuban baseball yet published and ultimately adds a vital lost chapter to the history of baseball in the U S **A Report of the Trial of Pedro Gibert ... [et Al.], Before the United States Circuit Court, on an Indictment Charging**

Them with the Commission of an Act of Piracy, on Board the Brig Mexican, of Salem ,1834 **Colonial Magazine and Commercial-maritime Journal ,1844** *Annual Report of the Postmaster General United States. Post Office Department,1892* **House documents ,1892** **Latin American Writers on Gay and Lesbian Themes** David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author s writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe
