

The background is a dark, atmospheric illustration of a room. In the center-right, a skeleton is visible behind a bar counter, with a bright blue flame or smoke effect rising from its head. The room is filled with various objects: a large clock on the wall, a grandfather clock, a table with a skull and other items, and a large wheel-like structure on the ceiling. The lighting is dim, with a few bright spots from the skeleton's flame and some ceiling lights.

Healing deals with the issues of faith and how God heals How often does one hear or say If I just had enough faith I could be healed The author experienced praying for many people who were miraculously healed He also prayed for people who were not healed However every person that Jesus prayed for was healed Jesus came not only to pay for our sins and purchase our salvation on the cross but he came to show us how to walk in the Spirit and to do the works of God People who have sought

God prayed for healing been prayed for by others and are not healed tend to become cynical and say that God does not heal today Jesus did not heal everyone He said that he only did the works of his Father When the author began to search how to minister like Jesus he learned that one had to be led by the Spirit and get the mind of God so that the works of God the Father would be glorified by the Son through the power of the Holy Spirit Before praying for healing one needs to have the mind of Christ and God's faith The seven types of illnesses described in the Word and listed below were revealed to the author by the Holy Spirit Curse and Rebellion Illness unto Death For the Glory of God Chastisement Caused by Sin Demonic Afflictions Abusing our Bodies Molding of the Spirit The purpose of this book is to teach how to pray the prayer of faith and to know the mind of Christ There is an edict in veterinary medicine to do no harm Christians need to have this same edict in dealing with human souls for eternity **The Publishers Weekly**, 1982 **Uncle Silas: A Tale of Bartram-Haugh**
