Skewed Throne:

The Skewed Throne Joshua Palmatier, 2006-11-07 After the White Fire had swept over Amenkor five years ago the city has fallen into ruin and its only hope is Varis a Seer who trained as an assassin and in the art of survival must go up against the Mistress of the Skewed Throne by journeying into the heart of Amenkor to meet her destiny or her death Reprint *The Skewed Throne* Joshua Palmatier, 2006 Five years ago the fire came and the city of Amenkor has been spiraling into ruin ever since Its only hope rests in the hands of a young girl Varis who has taught herself the art of survival and has been trained in the ways of the assassin Original Released simultaneously with *The Cracked Throne* in hardcover *The Throne of Amenkor* Joshua Palmatier, 2017-11-14 The Throne of Amenkor trilogy is the story of Varis a young woman who must help protect her city of Amenkor after the White Fire blasted through and trapped everyone in a deteriorated state She has taught herself the art of survival and has been trained in the ways of the assassin Venturing deep into the heart of Amenkor Varis will face her harshest challenges and greatest opportunities And it is here that she will either find her destiny or meet her doom

Skewed Throne Joshua Palmatier, 2006 The Vacant Throne Joshua Palmatier, 2025-09-01 The Skewed Throne has been destroyed sacrificed in order to stop invaders from the sea a desperate people called the Chorl driven from their islands and in search of a new home But the threat of the Chorl has not ended They have retreated and disappeared With the cracking of the Skewed Throne their attention has turned elsewhere and Varis does not know why or where Reeling from the attack the city of Amenkor in ruins she has little time to ponder it Until she begins to experience some of the same visions and powers she had while attached to the Skewed Throne But that is impossible The Skewed Throne is dead She senses nothing when she touches it And yet When an envoy from the city of Venitte arrives Varis finds herself thrust into the politics of the entire coast This erstwhile ally comes with dire news The Chorl are on the march up the coast Their target Venitte No one in Venitte understands why but they need Amenkor's help Varis has faced the Chorl before and survived And she now understands what is driving them to Venitte in the first place There is a second throne And the Chorl will stop at nothing to get it **The Cracked Throne** Joshua Palmatier, 2025-09-01 When the White Fire passed through the city of Amenkor for the second time in a thousand years it brought madness drought famine and destruction In order to stop it Varis a young girl from the slums of the city trained to be an assassin was forced to seize control of the Skewed Throne from the previous Mistress and become the new ruler of the city But Varis knows nothing about politics or power She only knows how to survive But as she grapples with the reins of leadership and retaining control of the Skewed Throne helped by the Seeker Erick her advisor Arrend the merchant Borund and the previous Mistress Eryn a new threat arises Something dreadful is coming Something from the sea Something that will challenge Varis understanding of the powers of the throne and her hold on the city Because this force knows of the throne knows that Amenkor is vulnerable and it is driven by complete and utter desperation There is no turning back It must have the Skewed Throne And it will destroy everything and everyone in

Amenkor to get it *The Cracked Throne* Joshua Palmatier,2007-11-06 When the mysterious White Fire sweeps through Amenkor for the second time in a millennium Eryn Mistress of the Skewed Throne is submerged in a world of madness and Varis an assassin is forced to take over the throne and save the people of Amenkor Reprint **Breath of Heaven** Joshua Palmatier,2016-06-30 The Autumn Tree has fallen the protection it provided the human dwarren and Alvritshai races destroyed Now the Wraith army is marching to war laying siege to the human Provinces and harassing the dwarren clans on the plains Colin has dealt Walter a significant blow but he has failed to halt the activation of the Source the one Well that controls all of the others and he has sustained a grievous wound in the process As the Wraith armies wreak havoc across Wrath Suvane Colin realizes there is only one way to stop them He must return to the Source and give himself completely to the Lifeblood a taint he has fought since he first drank from the Well lifetimes ago Only then will he be able to stop Walter and the Wraiths from destroying Wrath Suvane All it will require is the sacrifice of his humanity **Watching Game of Thrones** Martin Barker,Clarissa Smith,Feona Attwood,2021-03-23 Game of Thrones was an international sensation and has been looked at from many different angles But to date there has been little research into its audiences who they were how they engaged with and responded to it This book presents the findings of a major international research project that garnered more than 10 000 responses to an innovative qualitative questionnaire Among its findings are a new way of understanding the place and role of favourite characters in audiences responses new insights into the role of fantasy in encouraging thinking about our own world and an account of two combined emotions relish and anguish which structure audiences reactions to controversial elements in the series **Myth in the Modern World** David Whitt,John Perlich,2014-04-04 Ubiquitous and enduring myths are an inherent part of culture These 10 essays explore the role of myth in the modern world delving not only into science fiction and fantasy but also into sport terrorist rhetoric and television Contributors contemplate the changing face of the hero in *Breaking Bad* *Justified* and the Japanese film trilogy *20th Century Boys* explore ideology in George R R Martin s *A Song of Fire and Ice* novels and the HBO series *Game of Thrones* *Showtime s The L Word* and *The Day the Earth Stood Still* and examine Al Qaeda s use of myth to justify its violent actions Other essays consider the hero ideal in sport the wolf myth in *Twilight* and the comic persona of Hercules in the Travel Channel series *Man v Food* The power of myth this volume reveals extends beyond ancient stories of gods and heroes to express the hopes fears and reality of everyday life *The Vacant Throne* Joshua Palmatier,2008-01-02 The city of Amenkor has stood for well over a thousand years as a premier trading center Ruled by the Mistress of the Skewed Throne Amenkor has weathered attacks by invaders and the madness drought famine and disease brought by the mysterious White Fire But now betrayed from within and barely surviving a devastating attack by the mysterious Chorl Amenkor reels on the brink of ruin In Amenkor s time of greatest need Varis raised in the slums of the city and trained not only to survive but to kill at need has unwillingly become the ruler of the city the new Mistress of the Skewed Throne Untrained unpreparedm and not certain who she can

trust Varis takes the Throne at one of the most perilous points in Amenkor's long history and is forced to draw on all of Amenkor's limited resources both ordinary and magical when the Chorl invade And perhaps the price Varis pays is too high as the very heart and soul of Amenkor's power the Skewed Throne is destroyed during the final desperate confrontation with the invaders Now with the threat of the Chorl's return still hanging over them Varis has no choice but to turn to Amenkor's sometime ally the city of Venitte home to the only other throne that is a repository of magical power Yet Varis and the people of Amenkor are not the only ones looking toward Venitte The Chorl invaders are on the march and whether Venitte will fare any better against the Chorl than Amenkor remains to be seen Reaping the Aurora Joshua Palmatier,2024-01-01 ENTER

Elisha Rex E.C. Ambrose,2015-07-07 E C Ambrose s gritty sharp historical fantasy series *The Dark Apostle* follows Elisha Barber through a magical reimagining of 14th century England Elisha was a skillful barber surgeon cutting hair and stitching wounds for poor peasants like himself in 14th century London But that was before catastrophe ruined his family Before he was falsely accused of murder and sent to die in an unjust war Before he discovered his exceptional potential for a singularly deadly magic and was forced to embrace his gifts and end that war by using his newfound abilities to kill the tyrannical king Elisha is no longer the lowly barber he was but it is hard to tell exactly who he is now The beautiful witch Brigit his former mentor claims him for the magi all those who have grasped the secrets of affinity and knowledge to manipulate mind and matter and who are persecuted for it Duke Randall the man who first rose against the mad King Hugh has accepted him as a comrade and ally in the perilous schemes of the nobility Somehow he has even become a friend to Thomas both the rightful king and something rarer a good man But he is still a regicide and in order to solidify Thomas s authority among the restive barons he had to let the new king sentence him to a horrific public execution With Thomas s covert aid Elisha faked his death and went into hiding but the peasants of London are beginning to call it a martyrdom as legends of Elisha s spectacular miracles in the service of his country have spread Yet Elisha is finally beginning to understand the dreadful power within him and he has never felt less holy or more terrified Because there is another force at work in the world a shadowy cabal beyond the might of kings and nobles that sees its opportunity in the chaos of war and political turmoil and sees its mirror in Elisha s indivisible connection with Death For these necromancers Elisha is the ultimate prize and the perfect tool When the necromancers secret plans begin to bear black fruit England teeters on the brink of a hellish anarchy that could make the previous war look like a pleasant memory and it appears Elisha is the only man who can stop it But if he steps forward and takes on the authority he is offered to save his nation once again is he playing right into the mangers hands Why does it seem like his enemies are the ones most keen to call him Elisha Rex

Iandolo she's not used to failure But when Devon approaches her with a strange new way to view the magical system she's struggling with she discovers that it's not her ability that's been blocking her but something someone else entirely As a War student at the Lyceum Dalton Trent has wanted nothing more than to graduate and become part of the Iandolan army where he will work to protect the mages who keep Iandolo in power He has only a few more months left before his dreams will come true But then he meets Devon and suddenly the world isn't as simple concrete and stable anymore Because the Crystal Cities aren't all color and glamour and shimmer The crystal has cracked the glow dimmed And when it finally shatters all three will be caught up in the shards of destruction that follow a deadly insurrection that could bring the entire delicate balance of the Crystal Cities to a crashing end Magic The politics of war A small band of Heroes This year's best Epic Fantasy A magic school a magic war and betrayal This book is a nail biting page turner A splendid book you simply MUST read Faith Hunter New York Times Bestselling Author of the Jane Yellowrock series Crystal Lattice is the electrifying opening to a new epic fantasy series set in a world of forgotten science dying light and the math based magic that could save them all Jean Marie Ward I'm a sucker for a smart cynical good hearted underdog Throw in a fascinating magical world and six layers of conspiracies uprisings and good old fashioned mage battles and I was hooked When does book two come out Jim C Hines In a world that's an inventive blend of SF and fantasy characters we will readily relate to face intriguing potentially deadly challenges Fast paced fluent and fascinating Juliet E McKenna
