

A vibrant green mini-golf course with a winding path and lush trees in the background. The path is made of reddish-brown bricks and curves through the green. In the background, there are tall green trees and a wooden fence. A tall, thin, grey pole stands near the path. The overall scene is bright and sunny.

Skies Call Two:

Land and Calendar Philippe Guillaume, 2010-01-06 Thanks to very peculiar style and theology Pg was identified as far back as 1869 by Theodor N ldeke and remains one of the last pillars of Pentateuch research after the fall of the Wellhausen model Its existence is rarely doubted but its extent is debated Does it end already in Exodus Otto Pola Bauks or does it go as far as Deuteronomy Noth Frevel or even into Joshua Lohfink Knauf The end determines Pg s notion of the land and its conquest important subjects today for the formation of the Pentateuch was there first a Hexateuch The 364 day perpetual calendar offers a reliable criterion to identify Pg within the final text of the Hexateuch because the simple mathematic of the calendar are easier to control than hypothetical redactors Pg is divided into seven periods from creation to the entry of the sons of Israel in an empty land of Canaan The festival calendar of Leviticus 23 and the Jubilee of Lev 25 constitute the heart of Pg the practical outworking of principles presented in the narrative Bloodless atonement with no connection to any temple whatsoever peaceful entry into the empty Promised Land eternal sabbatical rhythm are Pg s major theological characteristics

The Cole Trilogy Noah Gordon, 2012-09-11 The New York Times bestselling author s historical saga of a family of healers from Dark Ages London to Civil War America to modern day Boston In *The Physician* an orphan in eleventh century London Robert Cole becomes a fast talking swindler As he matures his strange gift an acute sensitivity to impending death never leaves him and he yearns to become a healer Arab madrassas are the only authentic medical schools and he makes his perilous way to Persia Christians are barred from Muslim schools but by claiming he is a Jew he studies under the world s

most renowned physician Avicenna Cole's journey and love for a woman who must struggle against her only rival medicine make *The Physician* a riveting modern classic. In *Shaman*, Dr. Robert Judson Cole, nineteenth-century descendent of the first Robert Cole, travels from his ravaged Scottish homeland through the operating rooms of antebellum Boston to the cabins of frontier Illinois. In the wilderness, he befriends the starving remnants of the Sauk tribe who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich his classical medical education. He marries a remarkable settler woman he had saved from illness. The Cole family is drawn into the bloody vortex of the Civil War, and their determination to survive in the midst of wilderness and violence will stay with the reader long after the final page. In *Matters of Choice*, Roberta Jeanne d'Arc Cole is the latest first-born descendant of Dr. Robert Cole. Favored to be named associate chief of medicine at a Boston hospital, she is married to a surgeon and owns a trophy residence in Cambridge as well as a summer house. But everything melts away. Her gender and her work at an abortion clinic cost her the hospital appointment. Her marriage fails. Crushed, she goes to her farmhouse in western Massachusetts, thinking to sell it and find an unexpected life. How she continues to fight for every woman's right to choose while acknowledging her own ticking clock and maternal yearning makes this prize-winning third story of the Cole trilogy relevant and unforgettable.

Four Views of the End Times Participant Guide Timothy Paul Jones, 2013-12-16 What does the Bible actually say about the end times that lead to the return of Jesus Christ? The Participant Guide for the Four Views of the End Times, part of a video-based small group study that studies the four major end-time views, will help you understand the different viewpoints regarding end-times prophecy. Four Views of the End Times is a small group study that takes a look at four different Revelation time lines and tackles Dispensational Premillennialism, Postmillennialism, Historic Premillennialism, and Amillennialism, the four major end-times viewpoints. For each view, Four Views of the End Times includes a definition, supporting Scriptures, a time line of the view's popularity, and a sampling of Christian leaders supporting that view. Common questions and answers are discussed as part of each session so anyone can be part of the study group. About speaker and author Dr. Timothy Paul Jones: Dr. Jones serves as Professor of Leadership and Church Ministry at The Southern Baptist Theological Seminary in Louisville, Kentucky.

Wilder Skies Joel Machak, 2022-12-18 Nearly twenty thousand years ago, at the end of the last Ice Age, when vast glaciers still held much of the world in their grip, the forces of passion and power collide, creating a love triangle between a powerful human king and two of the great spirits of the earth: Nokomis, the Gentle Spirit of the Earth, and Tohopka, the Wild Spirit of the Earth. Jealousy and the lust for power drive a vengeful chase and consuming conflict that span a lifetime and two continents. This is a story that takes love and revenge to the limits of the human heart. The final desperate attempt at justice rains environmental destruction on the planet and fuels a desire for domination that still resides deep in the hearts of much of mankind to this day. This is the story of where humankind's war on nature begins. Shaman Noah Gordon, 2012-06-05 This New York Times Notable Book is a sweeping historical drama of a physician and his family on the Illinois frontier in the

nineteenth century The New York Times Book Review Dr Robert Judson Cole travels from his ravaged Scotland homeland through the operating rooms of Boston to the cabins of frontier Illinois In the wilderness he befriends the starving remnants of the Sauk tribe who have fled their reservation In the process he absorbs their culture and learns native remedies that enrich the classical medical education he received at Edinburgh University He marries a remarkable settler woman he had saved from illness The details of how their deaf son manages to become a physician also despite his handicap and the story of how the Cole family is sucked into the bloody vortex of the Civil War and survives makes an exceptional reading experience

Greene,2007 Based on extensive research in government archives and private papers this book analyzes the secret debate within the Eisenhower administration over the pursuit of a nuclear test ban agreement In contrast to much recent scholarship this study concludes that Eisenhower strongly desired to reach an accord with the Soviet Union and the United Kingdom to cease nuclear weapons testing For Eisenhower a test ban would ease Cold War tensions slow the nuclear arms race and build confidence toward disarmament however he faced continual resistance from his early scientific advisers most notably Lewis L Strauss and Edward Teller Extensive research into previously unavailable government archival sources and collections of private manuscripts reveals the manipulative acts of test ban opponents and other factors that inhibited Eisenhower's actions throughout his presidency Meticulously analyzed these sources underscore Eisenhower's dependence on the counsel of his science advisors such as Strauss James R Killian and George B Kistiakowsky to determine the course he pursued in regard to several components of his national security strategy In addition to its comprehensive analysis of the test ban debate this book makes important contributions to the scholarly literature assessing Eisenhower's leadership and his approach to arms control Verification Technologies ,1991 International Journal of Religious Education ,1929 *A collection of hymns for the use of the people called Methodists.
