With her life in chaos and the killer getting closer Gladie has to come to terms with the fact that love is murder From Fear to Eternity It s still up in the air whether Gladie really has her psychic grandmother s gift but she s determined to finally give matchmaking her best shot She s also determined to give her new relationship with hottie Police Chief Spencer Bolton a shot that is if she can find him Despite her good intentions Gladie is being sued by a matchmaking client but even with bankruptcy around the corner that s not her biggest problem There seems to be a rash of dead senior citizens popping up at the tea shop owner s family home Gladie is recruited to find the murderer but this time she may have met her match and if she s not careful it could be her last West Side Gory Life is going great for Gladie Burger She s having lots of sex with her hottie boyfriend Chief of Police Spencer Bolton she s settled into her matchmaking career she s got a new car and it s been over two weeks since she s stumbled on a dead body It seems like she s finally got her life on track since she moved in with her psychic grandmother to help her with her matchmaking business But when a stomach ache proves to be more serious she finds herself in West Side Hospital preparing for surgery Befriending the woman in the next bed in her hospital room she becomes distressed when the woman vanishes Alerting the hospital staff they tell her that the woman never existed Has Gladie lost her mind or is something more sinister happening at West Side Hospital Scareplane Gladie is nervous about her upcoming vacation with hottie police chief Spencer Bolton She s never flown before and she s not looking forward to the experience Her fear is heightened when a plane crashes into the house across the street But there s little time to think about it because their town is hosting a law enforcement conference where Southern California s finest are coming to discuss law and order Everything is going to plan Spencer is hailed as a great police chief and Gladie is fixing up half of the town until one of the guests a famous police czar drops dead Now everyone is a suspect and Gladie is being prevented from investigating the death by the new police detective on the force a hottie female cop who thinks Gladie is enemy 1 and Spencer is marriage material It Happened one Fright Spencer might have marriage on his mind but Gladie is distracted by her best friend s troubles and a busy matchmaking month The father of Bridget s baby is threatening to take custody away from her and when he winds up murdered Bridget becomes the top suspect Now Gladie must juggle her own love life her matchmaking and proving that Bridget is innocent not to mention dealing with the town s attempt to break the world record for the largest Easter egg hunt But poking around is dangerous and Gladie could be next on the killer s hit list The Big Kill Progress is being made on Gladie s house and her impending wedding Meanwhile her best friend Bridget is ready to give birth But all of that takes a backseat to Gladie s discovery in her grandmother s attic about her father It looks like her father s motorcycle accident when she was a child was no accident and now Gladie is thrust into her father s world where his best friends could have been his murderers Will Gladie find the killer before she s next It s a Wonderful Knife It s wedding time in Cannes Gladie s wedding But once again love has to take a backseat to murder Will Gladie s wedding go off without a hitch Ha Just kidding Enjoy the mayhem as Gladie and Spencer finally say their vows and realize their happily ever after Ship of

Damned If You Do Margaret S. Hrezo, John M. Parrish, 2010-03-18 Problems of individual moral choice have always been closely bound up with the larger normative concerns of political theory There are several reasons for this continuing connection First the value conflicts involved in private moral choice often find themselves reproduced on the public stage for example states may find it difficult to do right by both justice and mercy in much the same way individuals do Second we frequently find conflicts among the values at stake in individual life and public life such that the moral choice we must make is between private and public goods Loosely speaking choices which express these conflicts are what philosophers call moral dilemmas choices in which no matter what one does one will be forfeiting some important moral good in which wrongdoing is to some degree inescapable in which one is perhaps literally damned if one does and damned if one doesn't The eight essays collected in this volume explore the philosophical problem of moral dilemmas as that problem finds expression in ancient drama classic and contemporary novels television film and popular fiction They consider four main types of dilemmas In the first section the authors examine dilemmas associated with political stability and regime change as expressed in the HBO television series Deadwood and in Stephen King's novels and short stories The second section confronts dilemmas associated with public leadership considering the ethical conflicts in Aeschylus's classical dramas The Suppliants Tolkien's Lord of the Rings and in the contemporary FOX television series 24 In the volume's third section the authors examine dilemmas of institutional evil specifically slavery as they emerge in Harriet Beecher Stowe's classic novel Uncle Tom's Cabin and in J K Rowling's Harry Potter novels Finally the collection considers dilemmas of community and choice in Toni Morrison's novel Paradise and in the contemporary film A Simple Plan
