Slow Dance In The Flames:

A Distant Flame Philip Lee Williams, 2011 With an attention to historical detail that brings the past powerfully to the present Philip Lee Williams's novel reveals a journey of redemption from the Civil War's fields of fire to the slow steps of old age Winner of the 2004 Michael Shaara Prize for the best Civil War novel The Phoenix and the Flame Henry Kamen, 1993-01-01 It is commonly assumed that the Counter Reformation touched Spain only lightly affecting the religious institutions but not the ordinary Spaniards Henry Kamen now challenges this view by providing an intimate look at what life was like in one small but distinctive rural Spanish community from the mid sixteenth to mid seventeenth centuries By examining the Catalan village of Mediona as a microcosm of Spanish society Kamen shows that in fact the Counter Reformation led to powerful changes in the daily lives beliefs and customs of the common people of Catalonia and Spain Kamen portrays the popular culture of Mediona studying the shifting habits revealed by its administrative reforms during the Counter Reformation the place of religious belief within the community the attempts to change popular festivities and celebrations the far reaching innovations in marriage and sexuality the role of the Inquisition and of the Jesuits the problem of witchcraft and the impact of books from the expanding presses of France Italy and the Netherlands on local language and ideas Kamen concludes that the Counter Reformation was in some instances liberating rather than repressive in Mediona and the broader Mediterranean society of which it was part By contemplating popular religion and culture as it was practiced by ordinary citizens he offers new insights into an epoch normally studied only in the light of great political events and he presents a wholly original vision of culture and society in Spain's Golden Age *Slow Dancing with Fire* Brahma Yassky, 2022-05-03 As an emerging young painter in New York City Brahma Yassky lived her dream working full time as an artist and supporting herself with her work attending art openings and going to clubs and painting scenery in theaters In 1982 a flame shot up from her stove and burned 55% of her body In *Slow Dancing with Fire* Yassky chronicles the day she was burned the three months she spent in the burn unit enduring an arduous healing process and the next full year of physical and occupational therapy She feared she might never paint again or have an independent life Would any man ever find her attractive enough to want a relationship Over time Yassky's resilient spirit guided her to build a new life She earned credentials as an art therapist and helped others heal from their traumas by engaging with the creative process She adopted a daily practice of swimming both as a meditation and a way to loosen scar contractions The New York City Department of Health commissioned her to create a mural on the outside of a building in the South Bronx and posters for every subway car She joined the Guerrilla Girls a women's artist activist collective whose mission was to fight racism and sexism in the art world She wrote and directed a film about the day she was burned casting an actress to play herself thus objectifying the experience and eliminating her personal identity as a burn victim And finally she married a man she never would have dated before the fire because his greatest attributes were kindness and nurturance not coolness and worldly success Her story

encourages the belief that building a resilient spirit and healing our wounds and traumas are not only possible but exhilarating

eighteen But this is Vichy France in 1942 and his coming of age is marred by the Nazi occupation of his homeland His father has always taught him that evil is resisted by the power of God not by the gun But when the roundups of Jews begin and both his best friend and the girl he s falling for become targets Julien must question where real power lies Can he be a man who protects the people he loves if he follows his father s ways of peace His hometown is a fragile fortress where hundreds of Jewish youth hide in plain sight protected only by the goodwill of their neighbors Julien takes part in the intricate system of sentries and alert codes that keep them safe doing what he can to resist the Nazis As the Germans close in he can see the moment coming when all the town s careful defenses will fail He s torn between the faith of his father and his increasing surety that fighting violence with violence is the only way to win How can the meek inherit the earth when the strong hold all the cards Now the young Jewish woman who has captured his heart comes under deadly threat and there are no good choices But for Elise there s nothing Julien won t risk Based on actual events in Vichy France *Flame in the Night* is a powerful examination of the strength of faith and peaceful resistance in the face of overwhelming odds
