Return to Hell's Corner E. Roy Hector, 2005-02 In the exciting fast paced Western adventure sequel to *Escape from Hell's Corner* crazed killer Amos Clarke

aka Amos Watson will stop at nothing to avenge the death of his father Amos Watson's admiration for his father and almost worship of the blacksnake whip were all that remained from outlaw Watson Clarke's horrific reign of terror inflicted on the people of southwest Texas during Amos formative years. During his youth Amos developed a seething rage and designed an insidious plan to avenge his father's death. His hatred of those responsible for killing his father included three Darnel brothers, two county sheriffs, a Mexican Army captain, and the leading citizens of Turtle Creek. Amos avoided work and spent his youthful years committing crimes, mostly petty thievery; he felt capable of doing without having to pay the penalty. Amos learned all his killer father's sly and cunning tricks and acquired his hedonic desire for feelings of satisfaction and pleasure while abusing women, especially young girls. He always brought home to his mother the money and other valuables he robbed. Set in the picturesque Texas mountains, *Return to Hell's Corner* combines danger, romance, bravery, and good old-fashioned western justice to provide an exhilarating ride through the lawless wasteland of the Old West. *Hell's Gunman* Robert Coward, 2013-07-01

By 1884 Mission, Arizona, was a dying town. It had once shown promise as a commercial center between Mexico and the territory, but when the railroad connected Los Angeles to Deming, New Mexico, its fortunes began to wane. A tragic event forced Mission's sheriff of eight years, Jed Dunston, to turn in his badge and leave behind the woman he loves. Weeks later, a timely message from Mission informed him of an unspeakable evil that gripped the town and imperiled everyone he'd once protected. Almost sixty years old and lacking confidence in his abilities as a lawman, Jed fights against the inner fears that haunt him. However, the former lawman doesn't hesitate in his decision. He rides back to Mission with a ragtag posse to face a pitiless, bloodthirsty outlaw and his band of cutthroats. If anyone in Mission is to survive, he'll have to face Hell's Gunman. **Hell's Kitchen** Jeffery Deaver, 2016-12-27

In Hell's Kitchen, New York City, to work on a low-budget documentary on the area's colorful history, ex-stuntman turned location scout John Pellam finds himself investigating a series of suspicious fires that may be linked to efforts to hide the past. *Hell's Partner* Raymond C. Merriam, 2015-08-31

What is hell? Is it something we live here on earth, or is it this mythical place we read about in the Bible? Are heaven and hell two places of which we could wind up because of what we cannot see, called the soul, who knows for sure? Tom Weaver had never spoken with anyone who's been to either and returning to life with a true explanation. However, living his life as a gunfighter proved to be anything but expected, especially when he met Sheriff Brady in Desert Springs, Arizona. But when Brady killed Weaver, it was then he learned the truth about heaven and hell by coming face to face with Lucifer himself. However, even the feared encounter with Satan will not always turn out as anticipated, as Tom Weaver quickly discovered. *A Head of Cabbage* Barbara Johnson, 2022-07-24

Barbara Abbott was eighteen when her father threatened to kill her if she went to school against his will. A sharecropper since he lost his farm in 1956, he needed her on the farm to help plant their annual tobacco crop. Barbara would often sneak away to school, but her mother would retrieve her before her second class started and return her to the fields. Then, after the workday was over, she studied unassigned chapters, hoping that she would not get

behind in her class assignments due to absences from school Her father believed living off the land was the best option for southern black people He never encouraged his children to seek an education he saw how education had not helped many black people financially and had an extreme distrust of white people and the government Eventually Barbara got accepted into Bennett College a predominately black all girls school though she left college after her junior year to marry her high school sweetheart Then while pregnant she discovered that her husband was gay and had a lover living next door Spanning many decades this personal narrative shares an account of the everyday life struggles of a black woman and shows her determination to live a life different from those of her ancestors Mysteries of Alanis: Book 4 of "Hell's Blade" Series R.L.

Pool,2025-01-31 When Holly Kelley joined Pat Langstrom in her return to Estelan she never dreamed she would find answers to conspiracy theories that spurred her imagination from a very early age She and Greg Graisson traveled to the Lost Citadel in search of those answers and found themselves bruised wounded and close to death They also found Illani The little white haired girl led them into secret catacombs within the Lost Citadel and to the library that told of a civilization that came here from another world The research they did there prompted a desire to sail to a land where Mandarin was the language spoken and the people seemed to be living under ancient Chinese feudalism How did that happen To find the answers Holly Greg and Illani would have to sail west to the continent of Alanis Only there would they finally find the answers to Illani s heritage They would find more than they bargained for They would find what many in our world have searched for dreamed of and sought for ages
