Small Group Communication in Organizations H. Lloyd Goodall, 1985

Small Group and Team

Communication Thomas E. Harris, John C. Sherblom, 2018-05-10 Much of contemporary communication occurs between and among small groups whether in person in a work setting or on the Internet via email Facebook or instant messages How we engage in our small group communication in each medium matters To be effective we have to consider our group roles norms cohesion process and phases of development as well as our personal verbal and nonverbal communication and listening styles To succeed as a member of a team we need to consider the limits of our personal experience and perspective recognize the creative strength of diverse perspectives in decision making and problem solving develop our conflict management skills and strengthen our leadership skills To be successful necessitates an understanding of group process participation style ethical group behavior and the influences of the medium Small Group and Team Communication explores all these different interconnections and the communication strategies we use in our work and social groups The authors use the systems perspective as their core approach throughout the text treating small groups as complex open systems reliant upon communication to achieve success Many chapters highlight the importance of considering ethics and diversity in relation to a variety of topics Harris and Sherblom address the growing influence of computer mediated communication to this discipline Real world applied examples show students that what they re learning aren t simply abstract concepts but knowledge that will serve them outside the classroom

Applied Organizational Communication Thomas E. Harris (Ph. D.), Mark D. Nelson, 2008 Building on the successful foundation of the first volume this second edition has been thoroughly revised reflecting the current state of organizational communication theory and research Highlights of this edition include extensive topical coverage integrated discussion of change diversity and digital age issues in all chapters updated analysis of major issues and influences in organizational communication and real world examples

Effective Small Group and Team Communication Judith Davis Hoover, Judith Hoover, 2005 EFFECTIVE SMALL GROUP AND TEAM COMMUNICATION presents original research based upon the experiences of functioning groups The text emphasizes an interactive approach to teaching small group communication and contains activities that tie into each chapter Chapters on both face to face and virtual meetings are guided by a teamwork philosophy that encourages the use of shared emergent leadership in classroom groups

Communicating in Small Groups Steven A. Beebe, John T. Masterson, 2002 Known for its wealth of relevant practical and up to date information the Seventh Edition continues to provide a balance of principles and applications of group communication With additional emphasis on teamwork technology and ethical collaboration Communicating in Small Groups Principles and Practices helps students enhance their performance in groups and teams while also giving them insight as to why group and team members communicate as they do
