Culture is a welcome and interdisciplinary contribution that maps the territory for those who aim to make sense of it all Highlighting the important concepts guiding state of the art research into religion media and culture this book is bound to become an important and frequently consulted resource among scholars both seasoned and new to the field Lynn Schofield Clark David Morgan has assembled here a fine team of scholars to prove beyond a doubt that the intersections of religion media and culture constitute one of the most stimulating fields of inquiry around today This highly useful and theoretically sophisticated text will likely assume ritual status in this emergent field Rosalind I J Hackett University of Tennessee US This volume is a major intervention in the literature on religion media and culture Drawing together leading international scholars it offers a conceptual map of the field to which students teachers and researchers will refer for many years to come The publication of Key Words in Religion Media and Culture is a significant moment in the formation of this area of study and sets a standard for cross disciplinary collaboration and theoretical and methodological sophistication for future work in this area to follow Gordon Lynch Birkbeck College University of London UK This book offers a range of refreshing essays on the relationships between media and religion Its selected keywords open doors to understanding contemporary society The cultural perspectives on mediation and religious practices give some illuminating and surprising analyses Knut Lundby University of Oslo Norway *Encyclopedia of Social Movement Media* John D. H. Downing, John Derek Hall Downing, 2011 The entries are designed to be relatively brief with clear accessible and current information *Hamas and the Media* Wael Abdelal, 2016-06-10 The Islamic resistance movement Hamas is arguably one of the most important Palestinian organizations in recent decades Since Hamas establishment it has extensively utilized media as a means of mobilization for its political and ideological agendas and its tactics have undergone a remarkable evolution from graffiti art to satellite broadcasting This book presents the first systematic and historical contextualization of the development of Hamas media strategy It determines three key phases in Hamas development and explores the complex and important relationship at work between its politics and use of media Assessing four elements of the Hamas media strategy the media message discourse the media objectives the infrastructure and the target audience this book tracks how Hamas grew its media infrastructure and looks at how the idea of resistance has permeated the media discourse Determining both tactical and strategic objectives and detailing the various layers to the target audience it offers the first in depth academic study of the Hamas media strategy This book s exploration of the key role the media plays in the Palestinian issue makes it a timely and relevant contribution to the study of the Israeli Palestinian Conflict and a valuable resource for students scholars and policymakers working in Middle Eastern studies *Occidentalism in Iran* Ehsan Bakhshandeh, 2016-09-29 Negative portrayals of the West in Iran are often centred around the CIA engineered coup of 1953 which overthrew Prime Minister Mohammad Mosaddeq or the hostage taking crisis in 1979 following the attack on the US embassy in Tehran Looking past these iconic events Ehsan Bakhshandeh explores the deeper anti imperialistic and anti hegemonic roots of the hostility to Westernism that is evident in the Iranian press

Distinguishing between negative and outright hostile perceptions of the West which also encompasses Britain France and Germany the book traces how the West is represented as the Occident in the country's media From the Qajar period and the Tobacco protests of the late nineteenth century to the ill fated Anglo Persian Treaty of 1919 through to the 1953 coup and 1979 hostage crisis Bakshandeh highlights the various points in history when misinterpretations and conflicts led to a demonisation of the other in the Iranian media The major recent source of contention between the West and Iran has of course been the nuclear issue and the resultant regime of sanctions By examining how this and other issues have been represented by the Iranian press Bakshandeh offers a crucial and often overlooked aspect of the key relationship between Iran and the West
