**People's War** Thomas A Marks, Paul Rich, 2019-12-18 Far from being an anachronism much less a kit bag of techniques people s war raises what has always been present in military history irregular warfare and fuses it symbiotically with what has likewise always been present politically rebellion and the effort to seize power The result is a strategic approach for waging revolutionary warfare the effort to make a revolution Voluntarism is wedded to the exploitation of structural contradiction through the building of a new world to challenge the existing world through formation of a counterstate within the state in order ultimately to destroy and supplant the latter This is a process of far greater moment than implied by the label guerrilla warfare so often applied to what Mao and others were about This volume deals with the continuing importance of Maoist and post Maoist concepts of people s war Drawing on a range of examples that include Peru Colombia Bolivia the Caucasus and Afghanistan the collection shows that the study of people s war is not just an historical curiosity but vital to the understanding of contemporary insurgent and terrorist movements The chapters in this book were originally published as a special issue of Small Wars Insurgencies

years eight months and twenty days After overthrowing Lon Nol in April 1975 and establishing a so called Democratic Kampuchea the Communist sponsored government was responsible for the deaths of as many as two million people almost one third of the country s population Here Chileng Pa vividly recalls life under the Cambodian Communists Attempting to conceal his identity as a policeman for the previous government Chileng changed his name and moved his family to the village of Prayap near the Vietnamese border In April of 1977 after two years of starvation and cruelty at the hands of the Khmer Rouge Chileng was forced to watch as Communist guerillas brutally murdered his wife and two year old son With nothing left for him in Prayap Chileng fled to Vietnam but eventually returned to Cambodia as part of a Vietnamese invasion force that would end the bloody reign of the Khmer regime In 1981 Chileng and his new family found their way to America His simple strand of remembrance serves to honor all those who died at the hands of the Khmer Rouge     **Angels of the Underground** Theresa Kaminski,2016 Angels of the Underground makes a significant contribution to the work on women s wartime experiences Through the lens of Utinsky and Phillips who never wavered in their belief that it was their duty as patriotic American women to aid the Allied cause Kaminski highlights how women have always been active participants in war whether or not they wear a military uniform An impressive work of scholarship grounded in archival research and personal interviews this is also a stunning story of courage and heroism in wartime     **The Sons of Adam** Alan Mackie,2012-11-16 A diary kept by journalist Alan Mackie in Cairo in 1973 during the 7 Day War with Israel and the effect it has had on present Egyptian politics and attitudes to the West     *Treason History of the Order of Sons of Liberty* Felix Grundy Stidger,1903     The Soul of Development Amy L. Sherman,1997-05-01 Ever since Max Weber started an argument about the role of Protestantism in jump starting northern Europe s economic development scholars have clashed over the influence of religion and culture on a society s or an individual s economic prospects Today many wonder whether the explosion of Protestantism in Latin America will effect a similar wave of growth and democratization In this book Sherman compiles the results of her field study and national survey of 1000 rural Guatemalan households She offers persuasive evidence that in Guatemala and throughout the region religious world views significantly influence economic life Sherman explains how the change in attitude and behavior that accompanies conversion from animism to a Biblically orthodox world view has improved the domestic welfare and economic status of many families Further she asserts that this new attitude sympathetic to democratic capitalism has created a moral cultural soil in which freedom personal empowerment an enhanced status for women and a desire to get ahead can be nurtured     **Zambezia** ,1996     Priest Under Fire Peter M.
