The Guiltcops And Crooks:

***The Guilt *Cops and Crooks** Juan Trigos,2005-07 *Cops and Robbers* John Townsend,2006 Discover the risks robbers will take to steal money and how police use dogs to sniff out criminals *Guilty* Karen Robards,2009-03-31 From the New York Times bestselling author of *Superstition* and *Bait* comes the story of Kate White a single mom and successful prosecutor in the Philadelphia DA s office She s used to challenges but none as terrifying as Mario Castellanos the violent career criminal she s been hired to convict But Kate and Mario have already met during one of the darkest periods of Kate s past And Mario knows her secret Now Kate has only one option Play Mario s game But when murder becomes part of it homicide detective Tom Braga is called in to investigate And as another threat even more menacing emerges from the shadows of Kate s past she realizes the only person she can turn to for help is Tom the one man she can never trust with the truth Photography and Ontology Donna West Brett,Natalya Lusty,2018-09-03 This edited collection explores the complex ways in which photography is used and interpreted as a record of evidence as a form of communication as a means of social and political provocation as a mode of surveillance as a narrative of the self and as an art form What makes photographic images unsettling and how do the re uses and interpretations of photographic images unsettle the self evident reality of the visual field Taking up these themes this book examines the role of photography as a revelatory medium underscored by its complex association with history memory experience and identity **The Cinema of Norman Mailer** Justin Bozung,2017-09-07 *The Cinema of Norman Mailer* Film is Like Death not only examines the enfant terrible writer s thoughts on cinema but also features interviews with Norman Mailer himself *The Cinema of Norman Mailer* also explores Mailer s cinema through previously published and newly commissioned essays written by an array of film and literary scholars enthusiasts and those with a personal philosophical connection to Mailer This volume discusses the National Book Award and Pulitzer Prize winning author and filmmaker s six films created during the years of 1947 and 1987 and contends to show how Mailer s films can be best read as cinematic delineations that visually represent many of the writer s metaphysical and ontological concerns and ideas that appear in his texts from the 1950s until his passing in 2007 By re examining Mailer s cinema through these new perspectives one may be awarded not just a deeper understanding of Mailer s desire to make films but also find a new alternative vision of Mailer himself Norman Mailer was not just a writer but more he was one of the most influential Postmodern artists of the twentieth century with deep roots in the cinema He allowed the cinema to not only influence his aesthetic approach but sanctioned it as his easiest crafted analogy for exploring sociological imagination in his writing Mailer once suggested Film is legitimately more interesting than books and with that in mind readers of Norman Mailer might begin to rethink his oeuvre through the viewfinder of the film medium as he was equally as passionate about working within cinema as he was about literature itself The Police Procedural George N. Dove,1982 In the late 1940s and early 1950s a new kind of detective story appeared on the scene This was a story in which the mystery is solved by regular
