The Haunted Land Tina Rosenberg, 2010-11-24 The Pulitzer Prize winning look at the collapse of Communism in Eastern Europe

The Haunted Land Tina Rosenberg, 1997-05-20 In four newly democratic countries in Eastern Europe communism's former victims and jailers are struggling to make sense of their history and sometimes rewrite it In this groundbreaking stylishly reported book a journalist travels across the battlefields of memory and asks Who is guilty How should they be punished And who is qualified to judge them in states where almost every citizen was an accomplice In East Germany Tina Rosenberg follows the trial of the border guards charged with the last shooting at the Berlin Wall In the Czech Republic she meets a heroic dissident who has now been ostracized for having once cooperated with the old regime In Poland she speaks with General Wojciech Jaruzelski the one time architect of martial law who now presents himself as his country's savior Out of these stories of conscience and complicity courage and optimism *The Haunted Land* delivers the final chapter of the greatest moral drama of our time
