There are tributes for mothers, fathers, children, spouses, and soulmates; friends, siblings, and other close relatives; soldiers and victims of war or violence; pets; and general readings appropriate for men, women, or any loved one. These selections will also prove helpful for clergy, counselors, and hospice, hospital, and funeral professionals. Appendices list resources and support organizations, and each selection is indexed by author, title, and first line. A special additional index references pieces by famous uses such as in a film, novel, or celebrity's funeral, so readers can locate a passage they remember from its context.
