meaning and purposeIn the age where identity formation comes from what we purchase and own people have lost touch with their authentic self The book provides a way to find meaning and purpose through education Biblical reference and storytelling The boundaries of fact and fiction are crossed by narrative and factual text as well as story in the form of a screenplay which collectively provides perception and experience toward the truth of being Jesus told stories to inform to emphasize his points and to provide life changing experiences and so it is that this method is followed in the current work The author argues for logical reasoning and coherent research as well as moral humans and compassionate educators which aligns with Christian philosophy and is supported by extensive literature review and research The work of research shifts from the brain to brain heart connectivity and the overarching message is to seek God for direction bear a strong moral character and teach like Jesus **Communities of the Heart** Warren Rochelle,2000-11-01 This book explores the use of

imaginative literature as persuasion focusing on the science fiction of Ursula Le Guin and her rhetorical use of myth The author concludes that Le Guin like Emerson Peirce Thoreau Whitman and Dewey is a romantic pragmatic rhetorician In that sense she is arguing for what Vico argued for in the eighteenth century that knowledge should be seen and studied as an integrated whole and that Cartesian thinking is only part of how humans make meaning **Cries of the Heart** Max Oliver,2011-09 writes poetry from his soul His words are happy and painful reminders of the realities of human life His words

certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he is not afraid to use his sense of humor and he carefully relates the Bible not only to the individual's life but also to the life of the church At the end of each day's devotional an appropriate prayer is offered as well as Points for Further Reflection on the day's lesson Each devotional concludes with a suggested resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer

A Harmonized Heart and Mind W. Ralph Mangum, 2019-06-17 The purpose of this book is an attempt to address and unify the common difference between people of different ethnicities backgrounds and faiths from a spiritual and to some degree practical perspective which is reflected in the subtitle A Little Bit of Me a Little Bit of You implying that the pains disappointments joys frustrations birthdays celebrations and deaths are all relevant in that each are common to every human being regardless of geographical location political affiliation ethnic background or educational environment However in the opinion and experiences of the author the willingness and ability to manifest an act of understanding as manifested in the life and teaching of Jesus Christ has proven to be an effective method of helping without hindering the efforts of many whose desire is to better the environment in which we live especially when attempted in an environment of sincere unconditional love
