early years of the UNIA and provide the financial history of Garvey's controversial Black Star Line steamship venture one of the schemes that ultimately led to the financial collapse of his movement The first volume and the following five focus on America the seventh and eighth on Africa and the last two on the Caribbean The information Hill has compiled goes far beyond preoccupation with a single intriguing historical figure to document the growth and demise of a mass social phenomenon an Afro American protest movement with strong links to African and Caribbean nationalism in the first decades of the twentieth century Marcus Mosiah Garvey 1887 1940 led an extraordinary mass movement of black social protest His Universal Negro Improvement Association and his back to African program of racial nationalism introduced many ideas that emerged again during the Black Power movement *The Great Commission* John Harris, 1843 *War, Cholera, and the Ministry of Health* James John Garth Wilkinson, 1855 *Annual Report of the Federal Communications Commission to the Congress of the United States for the Fiscal Year ...*, 1950 **Reports of the Industrial Commission...** United States.
