# The Guermantes Way

**Marcel Proust**

## **The Guermantes Way:**

**In Search of Lost Time Volume III The Guermantes Way** Marcel Proust,1998-11-03 The Guermantes Way in this the third volume of In Search of Lost Time refers to the path that leads to the Duc and Duchess de Guermantes's chateau near Combray. It also represents the narrator's passage into the rarefied social kaleidoscope of the Guermantes's Paris salon, an important intellectual playground for Parisian society where he becomes a party to the wit and manners of the Guermantes's drawing room. Here he encounters nobles, officers, socialites, and assorted consorts including Robert de Saint-Loup and his prostitute mistress Rachel, the Baron de Charlus, and the Prince de Borodino. For this authoritative English language edition, D. J. Enright has revised the late Terence Kilmartin's acclaimed reworking of C. K. Scott Moncrieff's translation to take into account the new definitive French editions of *la recherche du temps perdu*; the final volume of these new editions was published by the Bibliothèque de la Pléiade in 1989.

**The Guermantes Way** Marcel Proust,2004 Volume three of the author's epic work *In search of remembrance* in which the author explores the themes of time, space, and memory.

The Guermantes Way Marcel Proust,2018-11-01 An authoritative new edition of the third volume in Marcel Proust's epic masterwork *In Search of Lost Time*. Marcel Proust's monumental seven-part novel *In Search of Lost Time* is considered by many to be the greatest novel of the twentieth century. This edition of volume three *The Guermantes Way* is edited and annotated by noted Proust scholar William C. Carter, who endeavors to bring the classic C. K. Scott Moncrieff translation closer to the spirit and style of the author's original text. Continuing the story begun in *Swann's Way* and *In the Shadow of Young Girls in Flower*, *The Guermantes Way* follows Proust's young protagonist as he advances through aristocratic French society in late nineteenth-century Paris. A departure from the intimacy of the sprawling novel's previous two installments, part three unfolds against a colorful backdrop of Parisian life, moving from literary salon to opulent social gathering to provide a biting and satirical commentary on culture, human foibles, the ways of the world, and the irretrievable loss of time.

The Guermantes Way Marcel Proust,2005-05-31 The third volume of one of the greatest novels of the twentieth century, Mark Treharne's acclaimed new translation of *The Guermantes Way* will introduce a new generation of American readers to the literary richness of Marcel Proust. The third volume in Penguin Classics' superb new edition of *In Search of Lost Time*, the first completely new translation of Proust's masterpiece since the 1920s, brings us a more comic and lucid prose than English readers have previously been able to enjoy. After the relative intimacy of the first two volumes of *In Search of Lost Time*, *The Guermantes Way* opens up a vast, dazzling landscape of fashionable Parisian life in the late nineteenth century as the narrator enters the brilliant, shallow world of the literary and aristocratic salons. Both a salute to and a devastating satire of a time, place, and culture, *The Guermantes Way* defines the great tradition of novels that follow the initiation of a young man into the ways of the world.

*The Guermantes Way* Marcel Proust,2024-05-09 Marcel Proust released the first part of *The Guermantes Way* in Paris in 1920, moving his sprawling novel sequence further into the grand town houses and glittering soir

es of the Faubourg Saint Germain just after the First World War had unsettled every code of French society Printed by the Nouvelle Revue Fran aise the volume marked Proust s switch to a new publisher and arrived with the aura of a writer already famous for winning the Prix Goncourt the previous year The story follows the narrator as his family takes an apartment inside the aristocratic Guermantes wing placing him in daily contact with the elusive Duchesse he has long watched from afar Evening walks across the courtyard turn into invitations to salon dinners where reigning nobles trade gossip and political rumors while at home he endures the slow illness and death of his grandmother an event described with unblinking tenderness that anchors the social spectacle in private grief Proust lingers over lamp lit tapestries whispered jokes about the Dreyfus scandal and the anxious maneuvering of guests eager to stay near power letting each detail show how old hierarchies cling to ceremony even as the modern world presses in This novel captures a turning point in European culture when inherited privilege began to look like an antique mask worn for lack of better costume Readers at the time were struck by sentences that mingle irony with sympathy revealing that memory can dwell not only in childhood gardens but in the scent of a duchess s perfume drifting through a corridor and the book still offers a rich close up portrait of a class stepping into history s shadow while pretending the lights are still bright This critical reader s edition presents a modern translation of the original manuscript crafted for the contemporary reader with lucid language and streamlined sentences that illuminate Proust s intricate French syntax and period specific allusions Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Proust s personal history cultural impact and intellectual legacy an index of the philosophical concepts he weaves highlighting his explorations of memory time and the influence of Henri Bergson a comprehensive chronological list of his published writings and a detailed timeline of his life emphasizing the friendships and social circles that shaped his artistic vision
