The Harp Of Ethiopia:

The Harp of Ethiopia Maurice N. Corbett, 1971 *The Columbia History of American Poetry* Jay Parini, 1993-12-23 New York Times Book Review Greater Ethiopia Donald N. Levine, 2024-05-31 Greater Ethiopia combines history anthropology and sociology to answer two major questions Why did Ethiopia remain independent under the onslaught of European expansionism while other African political entities were colonized And why must Ethiopia be considered a single cultural region despite its political religious and linguistic diversity Donald Levine s interdisciplinary study makes a substantial contribution both to Ethiopian interpretive history and to sociological analysis In his new preface Levine examines Ethiopia since the overthrow of the monarchy in the 1970s Ethiopian scholarship is in Professor Levine s debt He has performed an important task with panache urbanity and learning Edward Ullendorff Times Literary Supplement Upon rereading this book it strikes the reader how broad in scope how innovative in approach and how stimulating in arguments this book was when it came out In the past twenty years it has inspired anthropological and historical research stimulated theoretical debate about Ethiopia s cultural and historical development and given the impetus to modern political thinking about the complexities and challenges of Ethiopia as a country The text thus easily remains an absolute must for any Ethiopianist scholar to read and digest J Abbink Journal of Modern African Studies **The Traditional Interpretation of the Apocalypse of St John in the Ethiopian Orthodox Church** Roger W. Cowley, 2014-11-13 The aim of this study is to describe the traditional Biblical and patristic Amharic commentary material of the Ethiopian Orthodox Church and to present in translation a sufficient sample of the Amharic and also the Geez commentary material that its character can be clearly seen Accordingly the study is divided into three parts a general introduction an annotated translation of a Geez commentary and an annotated translation of an Amharic commentary The book chosen for parts II and III is the Apocalypse of John *Cine-Ethiopia* Michael W. Thomas, Alessandro Jedlowski, Aboneh Ashagrie, 2018-08-01 Over the past decade Ethiopian films have come to dominate the screening schedules of the many cinemas in Ethiopia s capital city of Addis Ababa as well as other urban centers Despite undergoing an unprecedented surge in production and popularity in Ethiopia and in the diaspora this phenomenon has been broadly overlooked by African film and media scholars and Ethiopianists alike This collection of essays and interviews on cinema in Ethiopia represents the first work of its kind and establishes a broad foundation for furthering research on this topic Taking an interdisciplinary approach to the topic and bringing together contributions from both Ethiopian and international scholars the collection offers new and alternative narratives for the development of screen media in Africa The book s relevance reaches far beyond its specific locale of Ethiopia as contributions focus on a broad range of topics such as commercial and genre films diaspora filmmaking and the role of women in the film industry while simultaneously discussing multiple forms of screen media from satellite TV to video films Bringing both historical and contemporary moments of cinema in Ethiopia into the critical frame offers alternative considerations for the already radically changing critical paradigm

The Orthodox Church of Ethiopia John Binns, 2016-11-28

Surrounded by steep escarpments to the north south and east Ethiopia has always been geographically and culturally set apart It has the longest archaeological record of any country in the world indeed this precipitous mountain land was where the human race began It is also home to an ancient church with a remarkable legacy The Church of Ethiopia is the only pre colonial church in sub Saharan Africa today it has a membership of around forty million and is rapidly growing This book is the first major study of a community which has developed a distinctive approach different from all other churches John Binns explains how its special features have shaped the life of the Ethiopian people and how political changes since the overthrow of Haile Selassie have forced the Church to rethink its identity and mission He discusses the famous rock hewn churches the Ark of the Covenant claimed by the Church and housed in Aksum medieval monasticism relations with the Coptic Church centuries of co existence with Islam missionary activity and the Church s venerable oral traditions of poetic allegorical reflection

Songs of Ethiopia's Tesfaye Gabbiso Lila W. Balisky, 2018-10-19 Tesfaye Gabbiso prominent Ethiopian soloist began composing song texts and tunes as a young lad in the early 1970s during a period of social and political upheaval in Ethiopia This national ferment strengthened a creative surge among a generation of youth as the Ethiopian revolution 1974 91 was taking hold An explosion of indigenous spiritual songs was one result The indigenous song style was in contrast to the imported and translated European hymnody that had earlier been sung in Ethiopia s evangelical churches Because of his testimony both in life and song Tesfaye was imprisoned for seven years during the revolution during which time he continued to compose and sing Thus his songs reflect suffering endurance and hope in the Babylons Meantime and Zions of life experience The human voice in song rooted in the flow of the missio Dei is perhaps the greatest testimony that may be lived out whether in a prison cell or in the larger complex world A special feature of this book is the inclusion of 104 of Tesfaye s songs Cassettes 1 7 in English translation This study is valuable as a cross cultural textbook offers rich lyrics and embodies a challenge to Christian commitment in the arts
