Laycock,2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world from Europe to Asia and the Middle East to the Americas Possession and exorcism are elements that occur in nearly every culture Why is belief in spiritual possession so universal This accessible reference volume offers a broad sample of the traditions and cultures involving possession and exorcism presenting thoughts on this widely popular topic by experts from the fields of anthropology sociology religious studies history neuroscience forensics and theology The entries cover the subject of possession and exorcism across all inhabited continents from the Bronze Age to the 21st century providing information that is accessible and intriguing as well as scholarly and authoritative Beyond addressing the Christian tradition of possession and exorcism Pentecostalism and New Age and less widely known Western concepts about possession and exorcism this work examines ideas about possession and exorcism from other world religions and the indigenous cultures of Asia Africa and the Americas It also covers historic cases of possession and presents biographies of famous theologians exorcists and possessed individuals High school and undergraduate readers will learn about world history religious and spiritual traditions and world cultures through a topic that figures prominently in popular culture and modern entertainment Bibliographies that accompany each entry as well as a selected general bibliography serve to help students locate print and electronic sources of additional information      **Ghost Hunters of New England** Alan Brown,2008 Captivating profiles of irrepressible investigators of the paranormal in New

England     **Taylor's 7th Teaching and Learning Conference 2014 Proceedings** Siew Fun Tang, Loshinikarasi Logonnathan, 2015-06-01 These conference proceedings showcase a rich and practical exchange of approaches and vital evidence based practices taking place around the world They clarify the complex challenges involved in bringing about a holistic educational environment in schools and institutes of higher learning that fosters greater understanding and offer valuable insights on how to avoid the pitfalls that come with rolling out holistic approaches to education To do so the proceedings focus on the subthemes Support and Development Mobility and Diversity and Networking and Collaboration in Holistic Education     *The Gates of Hell* David Henderson, 2024-10-17 This book is mostly a collection of true stories about demonic beings frightening torturing and creating chaos among humans The first reason I authored this book was because I simply enjoy this topic Yes I am a bit odd I find topics that are strange mysterious and diabolical to be interesting The second reason is because we are in a spiritual battle and I find many Christians that I know seem to be almost oblivious to this fact My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world and against the spiritual forces of evil in the heavenly realms Ephesians 6 12     The Sallie House Haunting Debra Lyn Pickman, 2024-11-06 The real story behind one family's paranormal nightmare in a small Kansas house The thing started to move closer to me and as it did I could make out more details Her hand was covered in a long black lace glove as it got within inches of my face I saw a black bird on her finger I struggled out of bed and over to the door but I couldn't get the door open This is the firsthand account of what Tony and Debra Pickman and their newborn son Taylor experienced in the now notorious Sallie House from the day they moved in to the turn of the century haunted house until they finally fled in terror The story of the Sallie House and the fire starting ghost girl who haunted it has sparked endless rumors and theories of murder cover ups racism and abuse But the Pickmans know the real story because they lived it and barely made it out alive Now for the first time Tony and Debra reveal untold stories from their ordeal They describe Sallie's seemingly protective fascination with their baby and tell what it was like to live with menacing entities that scratched bit and terrorized their family Along with historical research the Pickmans share personal photographs and journal entries from their time spent living in the nightmare house that still haunts them today     *American Exorcism* Michael W. Cuneo, 2002-10-15 A guided tour through the burgeoning business of exorcism and the darker side of American life There is no other religious ritual more fascinating or more disturbing than exorcism This is particularly true in America today where the ancient rite has a surprisingly strong hold on our imagination and on our popular entertainment industry We've all heard of exorcism seen the movies and read the books but few of us have ever experienced it firsthand Conducted by exorcists officially appointed by Catholic archdioceses and by maverick priests sidestepping Church sanctions by evangelical ministers and Episcopal charismatics exorcism is alive and well in the new millennium Oprah Diane Sawyer and Barbara Walters have

featured exorcists on their shows The New York Times Los Angeles Times Time and other publications have charted the proliferation of exorcisms across the United States Last year the Archdiocese of Chicago appointed its first full time exorcist in its 160 year history in New York four priests have officially investigated about forty cases of suspected possession every year since 1995 American Exorcism is an inside look at this burgeoning phenomenon written with objectivity insight and just the right touch of irony Michael W Cuneo attended more than fifty exorcisms and interviewed many of the participants both the exorcists who performed the rituals and the people from all walks of life who believed they were possessed by the devil He brings vividly to life the ceremonies themselves conjuring up memories of Linda Blair s astonishing performance in the 1973 movie The Exorcist and other bizarre and sometimes stomach churning images Cuneo dissects as well the arguments of such well known exorcism advocates as Malachi Martin author of the controversial Hostage to the Devil self help guru M Scott Peck and self professed demonologists Ed and Lorraine Warren of Amityville Horror fame As he explores this netherworld of American life Cuneo reflects on the meaning of exorcism in the twenty first century and on the relationship between religious ritual and popular culture Touching on such provocative topics as the satanic panics of the 1980s repressed memory and ritual abuse American Exorcism is a remarkably revealing consistently entertaining work of cultural commentary

**Nightmares with the Bible** Steve A. Wiggins, 2020-11-16 Demons Nightmares with the Bible views demons through two lenses that of western religion and that of cinema Sketching out the long fear of demons in western history including the Bible Steve A Wiggins moves on to analyze how popular movies inform our beliefs about demonic forces Beginning with the idea of possession he explores the portrayal of demons from ancient Mesopotamia and the biblical world including in select extra biblical texts and then examines the portrayal of demons in popular horror franchises The Conjuring The Amityville Horror and Paranormal Activity In the final chapter Wiggins looks at movies that followed The Exorcist and offers new perspectives for viewing possession and exorcism Written in non technical language this book is intended for anyone interested in how demons are perceived and how popular culture informs those perceptions

**Ghosts in Popular Culture and Legend** June Michele Pulliam, Anthony J. Fonseca, 2016-09-26 With entries that range from specific works to authors folklore and popular culture including music film television urban legend and gaming this book provides a single volume resource on all things ghostly in the United States and in other countries The concept of ghosts has been an ongoing and universal element in human culture as far back as recorded history can document In more modern popular culture and entertainment ghosts are a popular mainstay from A Christmas Carol and Casper the Friendly Ghost to The Amityville Horror Ghostbusters Poltergeist The Sixth Sense and Ghost Whisperer This book comprehensively examines ghost and spirit phenomena in all its incarnations to provide readers with a holistic perspective on the subject It presents insightful information about the contribution of a specific work or author to establish or further the evolution of ghost lore rather than concentrating solely on the film literature music or folklore itself The book focuses on ghosts in western culture but also

provides information about spirit phenomena and lore in international settings as many of the trends in popular culture dealing with ghosts and spirits are informed by authors and filmmakers from Germany Japan Korea and the United Kingdom The writers and editors are experts and scholars in the field and enthusiastic fans of ghost lore ghost films ghost hunting and urban legends resulting in entries that are informative and engaging and make this the most complete and current resource on ghost and spirit lore available
