THE HEALING OF FAMILIES Fr.Yozefu B Ssemakula, 2011-12-31 This book will teach you step by step how to tackle in prayer the process for healing you and your family This is what is called praying effectively about those stubborn problems in life This book has been monumental in its field Since its publication in 2011 to date Fr Yozefu has been invited to speak in 38 countries and to lead thousands of families on their journey to healing and in many of these countries more than several times It s a process that has proved its worth with a long trail of wonderful results wherever the Healing of Families Seminar has gone in the world This book is a representation of that program very accessible to anybody who cares to pay attention while reading no jargon and no complicated theological concepts to battle with The author makes everything so simple and clear that even people who have been out of church for decades read it understand it and know what to do immediately in order to begin the prayer process for their family s healing This book has also been a favorite of many an exorcist in the world handling very tough situations in a very simple calm and tranquil and yet very effective way It too doubles as a manual for pastors who want to lead families under their care to access the healing that Christ has for them but which has eluded them for a very long time This book really demystifies healing prayer and the author clearly shows how the power of the healing Christ is so available to every baptized believer in Christ as Christ Himself states it in Mk 16 16 17 This book has made these words of Jesus come alive today in a very powerful and palpable way for so many Christian families around the world Whereas we usually thought of healing prayer as applicable to just individuals we discover here that it actually can be extended to entire families and effectively so
