The Heart Of The Country:

In the Heart of the Country Derek Bickerton,2015-01-04 In the first volume of the Commandment trilogy we left Zachary the failed hermit as he began to expiate his sins in the interior desert of fourth century Egypt This second volume links his story with that of Leila the peasant girl whom the bandit Darion saved from rape at the hands of his gang While Zachary goes through a series of bizarre experiences in a lost desert oasis Leila travels to the White Monastery ruled by the ruthless Shenoute where instead of the holy calm she expected she finds only lesbian practices and spiteful intrigue When Zachary falls mortally ill he is rescued by an unexpected savior and recovers to find himself a peasant in the Nile valley There he meets Leila who has been expelled from the White Monastery and slowly cautiously almost unwillingly these two Casualties of the Life as they call themselves begin to fall in love Once again with exemplary research and evocative writing Derek Bickerton brings to life an exotic but little known period of history and sheds a unique light on the early development of Christianity both its good and its bad sides

In the Heart of the Country J. M. Coetzee,2017-05-30 A story told in prose as feverishly rich as William Faulkner s In the Heart of the Country is a work of irresistible power J M Coetzee s latest novel The Schooldays of Jesus is now available from Viking Late Essays 2006 2016 will be available January 2018 On a remote farm in South Africa the protagonist of J M Coetzee s fierce and passionate novel watches the life from which she has been excluded Ignored by her callous father scorned and feared by his servants she is a bitterly intelligent woman whose outward meekness disguises a desperate resolve not to become one of the forgotten ones of history When her father takes an African mistress that resolve precipitates an act of vengeance that suggests a chemical reaction between the colonizer and the colonized and between European yearnings and the vastness and solitude of Africa With vast assurance and an unerring eye J M Coetzee has turned the family romance into a mirror of the colonial experience

In the Heart of the Heart of the Country William H. Gass,2014-11-04 First published in 1968 In the Heart of the Heart of the Country established William Gass as one of America s finest and boldest writers of fiction and nearly fifty years later the book still stands as a landmark of

contemporary fiction The two novellas and three short stories it contains are all set in the Midwest and together they offer a mythical reimagining of America's heartland with its punishing extremes of heat and cold its endless spaces and claustrophobic households its hidden and baffled desires its lurking threat of violence Exploring and expanding the limits of the short story Gass works magic with words words that are as squirming regal and unexpected as the roaches boys icicles neighbors and neuroses that fill these pages words that shock dazzle illumine and delight

The heart of the Church – the heart of the Country Part 1 Johann Theron, 2025-03-31 I am writing this book primarily for the ministers of the Word and the confessing members of the Dutch Reformed Church of South Africa With the confession we made before God and His congregation we subjected ourselves to the authority of the Word of God and the Confessions of the church We vowed to remain steadfast in this doctrine until the end of our lives and to reject all teachings that contradict it Especially in the Reformed tradition the divine election has been regarded as the heart of the church the *cor ecclesiae* The Confessions teach that God's gracious election does not occur based on any quality in mankind but that mankind is saved solely by God's grace in Jesus Christ In the history of the Dutch Reformed Church in South Africa this confession has been compromised by accommodating racial prejudices This has torn the church apart and built a wall of separation This dividing wall stands in direct opposition to the Word of God which teaches us that Jesus Christ through His blood has broken down the dividing wall Eph 2 14 In Christ's church there is no Gentile or Jew circumcised or uncircumcised barbarian Scythian slave or free but Christ is all and is in all Col 3 11 The Holy Communion is above all the symbol of this unity of Christ's Body the church It is precisely in the Communion that this division began deeply affecting the heart of the church The wall of separation that was built became entrenched in the structure of the church and later of the whole country It is my conviction that rediscovering the heart of the church can bring healing to a fractured church and a divided country because the heart of the nation has been shaped spiritually and structurally by the Dutch Reformed Church Therefore the healing of the heart of the church will also bring restoration to the heart of the country This book also contains valuable information for researchers It includes transcribed excerpts from the handwritten minutes of the Dutch Reformed Church in Somerset West formerly known as Somerset Hottentots Holland the Dutch Reformed Church in Stockenström located in the towns of Hertzog and Balfour the Dutch Reformed Grey Church as well as the Presbytery of Albany and the Cape Synod of 1829 1857 1862 1863 1881 and 1883 concerning the unity and division of the church There are also excerpts from various church newspapers and magazines related to this issue The relevant minutes and reports are linked in the text to the transcribed Dutch which are included as appendices at the end of the book For quick reference links from the appendices back to the headings in the text have also been provided Efforts were made to keep the English text my translation in the book as close as possible to the original Dutch The book is written in two parts Part 1 deals mostly with the nineteenth century history of the Dutch Reformed Church while Part 2 which will follow later will examine the twentieth century and the further developments in the Dutch Reformed
