The dawn of heaven; or, The principles of the heavenly life applied to the earthly Joseph Avery Collier, 1869 **Can the Heavenly Life be lived on earth?.**, 1880 All These Things Added James Allen, 1910 **Glimpses of the Heavenly Life** James Russell Miller, 1907 **A Place Called Heaven** E. M. Bounds, 2003-11-01 If heaven is truly a paradise where God dwells we should desire it more than anything on this frail fleeting earth The trials and difficulties of life should each be seen in light of the coming glory of heaven Unfortunately we rarely view things from this perspective Our schedules are filled with the present allowing no time for contemplating or desiring eternity Our incorrect perspective makes us spend our time on the least important things while ignoring those things that are most crucial Take a break from the present and let E M Bounds help you discover A Place Called Heaven Examining virtually all the Scriptures that pertain to heaven Bounds masterfully explains the nature of heaven and our purpose in it Get a taste of heaven here on earth learn a true Christian attitude toward eternity and discover a purer truer life
