Autobiography of Madame Guyon Jeanne Marie Bouvier de La Motte Guyon,1898 *The Autobiography of Charles H. Spurgeon Compiled from His Diary, Letters* Charles Haddon Spurgeon,1892 *History of the Christian Church: The middle ages*, by David S. Schaff. Pt. 1, 1049-1294. 1926. Pt. 2, 1294-1517. 1924 Philip Schaff,1924 History of the Christian Church Philip Schaff,1924 **History of the Christian Church: The Middle Ages from Boniface VIII, 1294, to the Protestant Reformation, 1517 (1949 printing)** Philip Schaff,1910 **Brownson's Review** ,1862 Brownson's Quarterly Review ,1862 The Story of a Poet: Madison Cawein Otto Arthur Rothert,1921 *Death, Emotion and Childhood in Premodern Europe* Katie Barclay,Kimberley Reynolds,Ciara Rawnsley,2017-02-06

This book draws on original material and approaches from the developing fields of the history of emotions and childhood studies and brings together scholars from history literature and cultural studies to reappraise how the early modern world reacted to the deaths of children Child death was the great equaliser of the early modern period affecting people of all ages and conditions It is well recognised that the deaths of children struck at the heart of early modern families yet less known is the variety of ways that not only parents but siblings communities and even nations responded to childhood death The contributors to this volume ask what emotional responses to child death tell us about childhood and the place of children in society Placing children and their voices at the heart of this investigation they track how emotional norms values and practices shifted across the fifteenth to nineteenth centuries through different religious legal and national traditions This collection demonstrates that child death was not just a family matter but integral to how communities and societies defined themselves Chapter 5 of this book is available open access under a CC BY 4 0 license at link springer com Global Nationalism: Ideas, Movements And Dynamics In The Twenty-first Century Pablo De Orellana,Nicholas Michelsen,2022-10-04 The twenty first century is witnessing a truly transnational revival of a very old set of ideas Despite romantic attachments to old symbols these late modern nationalism movements are not simply replicas of the previous two waves of nationalism in the 1860s and 1920s Nor is it true that today s nationalism movements want simply to return to the past and effect a nationalist 1930s style retrenchment From Putin s macho revivalism through to Trump s shocking victory and Xi s strongman regionalism nationalists engage with the economic context of our time and address issues born of globalization Crucially in their vision for international relations they seek the destruction of key international norms in a drive to restore a vision of sovereignty predicated on a survivalist understanding of state power Global Nationalism edited and framed by Pablo de Orellana and Nicholas Michelsen brings together the latest research by up and coming early career researchers and scholars Beginning with a succinct history and typology of contemporary nationalism and its predecessors this book offers analysis of several cases of contemporary nationalism examining how specific movements define identity address grievances and propose

identity based solutions Key themes and lessons emerge from the study of a variety of cases from the very ideas animating nationalist thought to their expression in a wide variety of nationalist movements around the world The reflections on the ecosystem of nationalist ideas and movements offered in this volume are a vital starting point in the study of contemporary nationalism as a global twenty first century phenomenon *Autobiography* Alan Alexander Milne,1939 This is the autobiography of a writer and a writer of unusual diversity of achievement With some his reputation stands highest as the prewar humorist of Punch with others as the author of what Alexander Woollcott called one of the three best mystery stories of all time Some like him most as an essayist others as a novelist or dramatist To many he will always be the man who wrote Peace With Honour and to many more he is simply the author of four famous books for children But the same personality has been behind all his work As he says heredity and environment make the child the child makes the man and the man makes the writer In this book we see that personality developing from the precocious child at home to the clever idle boy at school thence to Cambridge and the decision to go to London and write If in the latter half of the book A A Milne refrains from exhibiting himself and exposing his friends in the full length modern fashion nevertheless as a writer he tells us all his adventures and lets us into all his secrets Jacket **The Essential Writings of Philip Schaff** Philip Schaff,2023-11-19 In The Essential Writings of Philip Schaff readers are taken on a journey through the profound theological reflections and historical insights of esteemed author Philip Schaff This collection showcases Schaff s eloquent literary style which effortlessly combines scholarly rigor with spiritual depth Delving into various aspects of Christianity and church history Schaff s writings offer a unique perspective that is both informative and engaging The book is a valuable resource for anyone interested in theological studies and the evolution of Christian thought It provides a comprehensive overview of Schaff s most influential works making it an essential addition to any scholar s library Philip Schaff a renowned 19th century theologian and church historian wrote these essential writings over the course of his illustrious career His dedication to academic excellence and his passion for theology shine through in every page demonstrating his profound understanding of the subject matter Schaff s extensive knowledge and thoughtful analysis make him a trusted authority in the field of Christian studies I highly recommend The Essential Writings of Philip Schaff to readers seeking a deeper understanding of Christian theology and church history Schaff s insightful perspectives and scholarly expertise make this collection a must read for theologians historians and anyone interested in the intellectual foundations of Christianity University Library of Autobiography ,1918
