Sleeping In A Field:

Sleeping in a Field Christopher D. Owens, 2001-05 At age 24 Dave Crider's life is at a crossroads and he is consumed by a deep and seemingly irresolvable angst Nearly paralyzed by his existential fears he seeks solace from cut and dried academia a nagging boss and a failing romantic relationship via excessive drinking fantasies of exotic women and his immersion into the rock and roll subculture At the end of a very long and self destructive semester Dave embarks on a road trip in an attempt to regain some sense of balance in his off kilter life Little can he imagine the spiritual and emotional roller coaster ride that awaits him on this soul searching journey Set amidst a swirling backdrop of late 1970 s hedonistic excess *Sleeping in a Field* captures the confusion and youthful anxiety of the times in a poetic fast paced first person narrative

perfect leaves could never do Their horny substance has shed the cold rains of winter resisted the frost and protected the tips and shoots in which the life of the branches lay dormant We owe to the bud scales most of the beauty of the summer world Their highest usefulness has been attained through sacrifice of thei
