material act of producing a novel He meets the difficulty of transitioning from short concise notations exemplified by his favorite literary form haiku to longer uninterrupted flows of narrative and he encounters a number of setbacks Barthes takes solace in a diverse group of writers including Dante whose La Vita Nuova was similarly inspired by the death of a loved one and he turns to classical philosophy Taoism and the works of Francois Ren Chateaubriand Gustave Flaubert Franz Kafka and Marcel Proust This book uniquely includes eight elliptical plans for Barthes's unwritten novel which he titled Vita Nova and lecture notes that sketch the critic's views on photography Following on The Neutral Lecture Course at the Collège de France 1977 1978 and a third forthcoming collection of Barthes lectures this volume provides an intensely personal account of the labor and love of writing

The Coercive Animal James S. Serilla, 2009-03-13 The coercive animal exists because our social systems of thought throughout the history of humankind have been unaccountable Our use of reason and rational thought allowed us to place the idea of reality anywhere one senses it to be From this ambiguity we have our history of ideas by decree from ancient philosophy to our modern thinkers Our religious thought our rational thought our governments and our economic systems they all operate without accountability When we learn how ideas work we understand how we move ideas within our minds to create ideas that may or may not relate to reality We understand how to categorize our ideas We discover how people can create intellectual shell games by initiating movement between broadband and narrowband ideas as well as between universal and limited ideas When we have this knowledge we expose the coercive animal Historically we have defined coercion as the arbitrary will of one person forced onto another Nevertheless what are arbitrary and non arbitrary wills This book removes the ambiguity by taking the arbitrary out of arbitrary How we distinguish between the two resides within the pages of this book **The Coercive Animal**
