Latin American Textualities Heather J. Allen, Andrew R. Reynolds, 2018-12-11 Textuality is the condition in which a text is created edited archived published disseminated and consumed Texts therefore encompass a broad variety of artifacts traditional printed matter such as grammar books and newspaper articles phonographs graphic novels ephemera such as fashion illustrations catalogs and postcards and even virtual databases and cataloging systems Latin American Textualities is a wide ranging interdisciplinary look at textual history textual artifacts and digital textualities across Latin America from the colonial era to the present Editors Heather J Allen and Andrew R Reynolds gather a wide range of scholars to investigate the region s textual scholarship Contributors offer engaging examples of not just artifacts but also the contexts in which the texts are used Topics include Guam n Poma s library the effect of sound recordings on writing in Argentina Sudamericana Publishing House s contribution to the Latin American literary boom and Argentine science fiction Latin American Textualities provides new paths to reading Latin American history culture and literatures Contributors Heather J Allen Catalina Andrango Walker Sam Carter Sara Castro Klar n Edward King Rebecca Kosick Silvia Kurlat Ares Walther Maradiegue Clayton McCarl Jos Enrique Navarro Andrew R Reynolds George Antony Thomas Zac Zimmer **Slot-Barr**

Ricardo Barreiro, Francisco Solano López, 1979 **Science Fiction in Argentina** Joanna Page, 2016-03-29 It has become something of a critical commonplace to claim that science fiction does not actually exist in Argentina This book puts that claim to rest by identifying and analyzing a rich body of work that fits squarely in the genre Joanna Page explores a range of texts stretching from 1875 to the present day and across a variety of media literature cinema theatre and comics and studies the particular inflection many common discourses of science fiction e g abuse of technology by authoritarian regimes apocalyptic visions of environmental catastrophe receive in the Argentine context A central aim is to historicize these texts showing how they register and rework the contexts of their production particularly the hallmarks of modernity as a social and cultural force in Argentina Another aim held in tension with the first is to respond to an important critique of historicism that unfolds in these texts They frequently unpick the chronology of modernity challenging the linear universalizing models of development that underpin historicist accounts They therefore demand a more nuanced set of readings that work to supplement revise and enrich the historicist perspective *The ^A Real Las Vegas* David Littlejohn, 1999-10-28 What images come to mind when you think of Las Vegas Mobsters and showgirls magicians and tigers multimillion dollar poker games and prizefights towering signboards that light up the night in front of ever more spectacular casino hotels But real people live here too over a million today two million tomorrow Greater Las Vegas has long been the fastest growing metropolitan area in America And almost every aspect of its citizens lives is influenced by the almighty power of the gambling industry A team of fifteen reporters led by David Littlejohn together with prize winning photo journalist Eric Gran studied the real Las Vegas the city beyond the Strip and Downtown for the better part of a year They talked to teenagers whose suicide and dropout rates

frighten parents senior citizens many of whom spend their days playing bingo and the slots Mexican immigrants who build the new houses and clean the hotels homeless people and angry blacks as well as local police active Christians city officials and prostitutes They looked into the local churches the powerful labor unions pawn shops the real estate boom defiant ranchers to the north and dire predictions that the city is about to run out of water Proud Las Vegans claim that theirs is just a friendly southwestern boomtown the finest community I have ever lived in says Bishop Daniel Walsh who comes from San Francisco But their picture of Las Vegas as a vibrant civic minded metropolis conflicts with evidence of transiency rootlessness political impotence and social dysfunction In this close up investigation of the real lives being led in America s most tourist jammed gambling driven city readers will discover a Las Vegas very different from the one they may have seen or imagined

Specifications and Drawings of Patents Issued from the United States Patent Office United States. Patent Office,1908

The Black Book and the Mob Ronald Farrell,Carole Case,1995-09-01 A tale of good and evil of corruption and deceit of prejudice politics and power this compelling account scrutinizes the immensely lucrative Nevada gambling industry s struggle to maintain legitimacy or at least the appearance of it Ronald A Farrell and Carole Case tell how state regulators created the Black Book in the 1960s a list of notorious and unsavory persons banned forever from owning managing or even entering casinos in the state The regulators dramatically pursued and publicly denounced former lieutenants of Al Capone alleged overlords of the American Mafia nationally known professional gamblers and major casino owners as well as small time bookies and hoods reputed sports fixers and gambling cheats To date thirty eight names have been entered in the Black Book including Sam Giancana Anthony Spilotro and Frank Lefty Rosenthal Farrell and Case contend however that the denunciations were a melodrama meant to show that the government was cleansing the city of corruption Through the Black Book the regulators focus public attention on the Mob rather than on a multitude of competing criminal interests already in the gaming industry The authors uncover evidence of ethnic discrimination by the regulators including selective prosecution of Italian Americans whose notoriety fit popular Mafia stereotypes The Black Book and the Mob records hearings of the regulatory commission and the voices of lawyers government officials casino owners and the people named in the Black Book itself This Las Vegas story is a rebuke to the gaming industry and a cautionary tale for many states and communities now weighing the legalization of casino gambling

Fibre Reinforced Cement and Concrete R.N. Swamy,1992-07-23 This book presents the latest research development on fibre reinforced cementitious materials especially those related to ageing and durability The book forms the Proceedings of the International Symposium held at Sheffield in July 1992 the latest in a series of RILEM symposia on this subject organised by RILEM Technical Committee 102 AFC Ageing and Durability to Fibre Cement Composites
