Small Prices:

Prices and Wages in England William Beveridge, 2013-11-05 Prices and wages are the social phenomena most susceptible of objective statistical record over long periods of time They reflect and measure the influence of changes in population in supply of precious metals in industrial structure and agricultural methods in trade and transport in consumption and in the technical arts Forming part of publications of the International Committee on Price History this is Volume I of data from the twelfth to the nineteenth century It was originally published in 1939 and almost the entire stock was destroyed during an air raid The present volume is a facsimile of that edition This volume looks at the Mercantile era **Beating Low Cost**

Competition Adrian Ryans, 2009-08-27 Low cost competitors who offer good enough products and services at very attractive prices are currently significantly impacting the businesses of many leading companies and some are starting to move up to challenge the traditional companies in their core markets It s only a matter of time before most companies will feel the pressure from these aggressive cut price competitors Beating Low Cost Competition offers a step by step structured approach to help executives in traditional companies with premium brands think through the options for responding to their low cost rivals and select the most appropriate strategy to win in their chosen markets By examining a wide ranging group of companies from around the world Adrian Ryans provides numerous examples of how different companies in different industries have responded to low cost competitors and analyses the effectiveness of their strategies He also discusses the leadership and cultural challenges that many companies are facing as they take steps to respond to their low cost rivals Ultimately the insights gained from this book will lead to better and more profitable business decisions Adrian Ryans is Professor of Marketing and Strategy at IMD Lausanne Switzerland He has designed and taught on executive programs for organizations in North America Europe Australia and Asia including GE Bank of Montreal Medtronic Deloitte Borealis Saurer Vestas IBM Boeing National Semiconductor BioWare ASML Holcim Varian Hoechst Amgen Fluke LSI Logic Hutchison Port Holdings and Qualcomm He has also acted as a consultant for a number of leading global corporations **Demand and**
