Small Sacrifices A True Story Of Passion And Murder:

Small Sacrifices Ann Rule,2021 The story of an Oregon woman convicted of shooting her three children killing one in 1983 **Small Sacrifices** Ann Rule,1988-07-05 In the bestselling tradition of *In Cold Blood* *The Stranger Beside Me* and *Fatal Vision* comes *Small Sacrifices* the harrowing headline breaking story of Diane Downs a woman so desperate for love and attention that she would attempt to murder her three children to please a man who wanted none A work of resonance and revelation with breath stopping tension to the end Kirkus Reviews Copyright Libri GmbH All rights reserved *Murder Cases of the Twentieth Century* David K. Frasier,2024-10-14 From Jack Henry Abbott who stabbed a waiter through the heart for not allowing him to use the toilet to the Zodiac an unknown California serial killer who may have murdered as many as 37 people this reference work details 280 of the most famous murder cases of the twentieth century Each entry contains when applicable birth and death dates aliases occupation location of the murders weapons used number of victims and the time period when the killings occurred Films plays television shows videos and audio programs based on or inspired by the case are then cited followed by a brief overview of the murder case and a bibliography of English language works related to it

The Story Within Us Megan Sweeney,2012-09-11 This volume features in depth oral interviews with eleven incarcerated women each of whom offers a narrative of her life and her reading experiences within prison walls The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships exercise agency in restrictive circumstances and find meaning and beauty in the midst of pain Their shared emphases on abuse poverty addiction and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime Framing the narratives within an analytic introduction and reflective afterword Megan Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U S prisons These women use the limited reading materials available to them as sources of guidance and support and as tools for self reflection and self education Through their creative engagements with books the women learn to reframe their own life stories situate their experiences in relation to broader social patterns deepen their understanding of others experiment with new ways of being and maintain a sense of connection with their fellow citizens on both sides of the prison fence *The Murderer Next Door* David M. Buss,2006-04-25 As acclaimed psychological researcher and author David Buss writes People are mesmerized by murder It commands our attention like no other human phenomenon and those touched by its ugly tendrils never forget Though we may like to believe that murderers are pathological misfits and hardened criminals the vast majority of murders are committed by people who until the day they kill would seem to be perfectly normal David Buss s pioneering work has made major national news in the past and this provocative book is sure to generate a storm of attention *The Murderer Next Door* is a riveting look into the dark underworld of the human psyche an astonishing exploration of when and why we kill and what might push any one of us over the edge A leader in the innovative

field of evolutionary psychology Buss conducted an unprecedented set of studies investigating the underlying motives and circumstances of murders from the bizarre outlier cases of serial killers to those of the friendly next door neighbor who one day kills his wife Reporting on findings that are often startling and counterintuitive the younger woman involved in a love triangle is at a high risk of being killed he puts forth a bold new general theory of homicide arguing that the human psyche has evolved specialized adaptations whose function is to kill Taking readers through the surprising twists and turns of the evolutionary logic of murder he explains exactly when each of us is most at risk both of being murdered and of becoming a murderer His findings about the high risk situations alone will be news making Featuring gripping storytelling about specific murder cases including a never used FBI file of more than 400 000 murders and a highly detailed study of 400 murders conducted by Buss in collaboration with a forensic psychiatrist and a pioneering investigation of homicidal fantasies in which Buss found that 91 percent of men and 84 percent of women have had at least one such vivid fantasy *The Murderer Next Door* will be necessary reading for those who have been fascinated by books on profiling lovers of true crime and murder mysteries as well as readers intrigued by the inner workings of the human mind *The Fate of Borderline Patients* Michael H. Stone, 1990-05-04 Providing a cost effective treatment model that is respectful of patients needs their strengths and their limitations this book presents the first dynamic and coherent approach to group treatment for the chronically mentally ill By structuring members variable attendance the flexibly bound model which utilizes group dynamic principles to maximize therapeutic opportunities respects the actual behavior of many chronically ill persons making this treatment format available to a broad portion of this population Illustrated with numerous case vignettes the book outlines the elements of supportive treatment and therapeutic goals and then describes in detail specific strategies and interventions *Fatal Violence* Ronald M. Holmes, Stephen T. Holmes, 2010-06-23 From serial murderers to parents who kill *Fatal Violence Case Studies and Analysis of Emerging Forms* provides an insider s look at a phenomenon that has existed since the dawn of man and cuts across social economic barriers and cultures Offering a rare glimpse into the minds of predators and containing chilling details of motives and methods th **Criminal Psychology** Jacqueline B. Psychopathy Theodore Millon, Erik Simonsen, Morten Birket-Smith, Roger D. Davis, 2002-12-18 Psychopathy remains one of the least understood personality disorders and one of the most intransigent to therapeutic amelioration Encompassing all the significant viewpoints regarding the nature of psychopathic personalities this volume surveys current typologies and treatment approaches *Who Killed Precious?* Harry Paul Jeffers, 1991 Following the fictionalized account presented in the bestselling *The Silence of the Lambs* Jeffers examines the actual work of the special agents in the Behavioral Science Unit of the FBI's National Center for the Analysis of Violent Crime through the analysis of some of their investigations beginning with the case of Precious one of several young prostitutes slain by a serial murderer in the Washington DC area over the course of one weekend Annotation copyrighted by Book News Inc Portland OR **Motherhood in the Media** Barbara Barnett, 2016-02-19 This book examines contemporary media stories about women who kill their children By analyzing media texts motherhood blogs and journalistic interviews the book seeks to understand better maternal violence and the factors that lead women to harm their children The central thesis of this book is that media practices have changed dramatically during the past 50 years as has society's views on appropriate feminine behavior yet definitions of characteristics of good mothers remain largely defined by 1950s sitcoms Victorian ideals and Christian theology The book contends that in spite of media saturation in American society and the media's increased opportunities to tell complex and nuanced stories news

media narratives continue to situate maternal violence as rare unfathomable and unpredictable The news media's shift in focus from public service to profit making industry has encouraged superficial coverage of maternal violence as reporters look for stories that sell not stories that explain Motherhood blogs in contrast offer an opportunity for women to tell their own stories about motherhood based on experience Interviews with journalists offer insights into how the structure of their jobs dictates media coverage of this intimate form of violence
