The Small Business Legal Advisor William A. Hancock, 1992 Advising the Small Business Jean L. Batman, 2007

Small and Medium Enterprises, Law and Business Jan Winczorek, Karol Muszynski, 2023-06-23 The law plays an ambiguous role in running business While legal tools can be used to tame uncertainties for example by concluding contracts to safeguard enforcement of future claims they can also generate uncertainty These secondary uncertainties like ones stemming from vague rights and obligations may be counterbalanced by using different resources and strategies including acting informally modifying business plans or accepting the losses from unpaid dues This book discusses how small and medium enterprises use the law abstain from using the law and use alternative pathways to manage business uncertainties Examining these topics through the lenses of an extensive qualitative and quantitative empirical study on justiciable issues access to justice and legal uncertainty among SMEs in Poland it implements and expands upon the paradigmatic paths to justice methodology which has been successfully used to study conflict resolution access to justice and utilisation of the law by individuals in more than 30 jurisdictions It argues that the grand promise of modern law that it is a certainty providing neutral and democratic device to resolve problems and conflicts is not fully delivered It reveals how the conditions of a freshly developed capitalism combined with the rule of law backsliding contribute to universal structural problems with access to justice meaning that accessing justice is a resource hungry process which incentivises small businesses to settle for their legal problems and engage in informal and alternative strategies Small Business For Dummies® Eric Tyson, Jim Schell, 2011-03-03 Want to start the small business of your dreams Want to breathe new life into the one you already have **Small Business For Dummies** 3rd Edition provides authoritative guidance on every aspect of starting and growing your business from financing and budgeting to marketing management and beyond This completely practical no nonsense guide gives you expert advice on everything from generating ideas and locating start up money to hiring the right people balancing the books and planning for growth You ll get plenty of help in ramping up your management skills developing a marketing strategy keeping your customers loyal and much more You ll also find out to use the latest technology to improve your business s performance at every level Discover how to Make sure that small business ownership is for you Find your niche and time your start up Turn your ideas into plans Determine your start up costs Obtain financing with the best possible terms Decide whether or not to incorporate Make sense of financial statements Navigate legal and tax issues Buy an existing business Set up a home based business Publicize your business and market your wares Keep your customers coming back for more Track cash flow costs and profits Keep your business in business and growing You have the energy drive passion and smarts to make your small business a huge success **Small Business For Dummies** 3rd Edition provides the rest *Small Business Taxes For Dummies* Eric Tyson, 2022-01-07 Get your taxes right the first time and save If you run a small business you ve likely got more work than you already feel able to handle The last thing you need is to be running around trying to
