Bailey, 2024-02-01 Brought to life by the personal accounts of six Navy pilots and one British POW this is the history of the U S Navy airstrikes on Japanese held Hong Kong Commander John Lamade started the war in 1941 a nervous pilot of an antiquated biplane Just over three years later he was in the cockpit of a cutting edge Hellcat about to lead a strike force of 80 aircraft through the turbulent skies above the South China Sea His target Hong Kong As a storm of antiaircraft fire darkened the sky watching from below was POW Ray Jones For three long years he and his fellow prisoners had endured near starvation conditions in a Japanese internment camp Did these American aircraft he wondered herald freedom Trawling through historic records Steven K Bailey discovered that the story of the U S Navy airstrikes on Japanese held Hong Kong during the final year of World War II had never been told Operation Gratitude involved nearly 100 U S Navy warships and close to a thousand planes Target Hong Kong brings this massive operation down to a human scale by recounting the air raids through the experiences of seven men whose lives intersected at Hong Kong in January 1945 Commander John D Lamade five of his fellow U S Navy pilots and the POW Ray Jones Drawing upon oral histories diary transcripts and U S Navy documents this book expertly narrates the intertwined experiences of these servicemen to bring the history to life *The Lost Century* Larissa Lai, 2022-10-18 Lambda Literary Award winner Larissa Lai *The Tiger Flu* returns with a sprawling historical novel about war colonialism and queer experience during Japan s occupation of Hong Kong during World War II On the eve of the return of the British Crown Colony of Hong Kong to China in 1997 young Ophelia asks her peculiar great aunt Violet about the Japanese occupation of Hong Kong during World War II and the disappearance of her uncle Theo From Violet she learns the story of her grandmother Emily Emily s marriage three times to her father s mortal enemy causes a stir among three very different Hong Kong Chinese families as well as among the young cricketers at the Hong Kong Cricket Club who ve just witnessed King Edward VIII s abdication to marry Wallis Simpson But the class and race pettiness of the scandal around Emily s marriage is violently disrupted by the

Japanese Imperial Army's invasion of Hong Kong on Christmas Day 1941 which plunges the colony into a landscape of violence none of its inhabitants escape from unscathed least of all Emily When her situation becomes dire Violet along with a crew of unlikely cosmopolitans determines to rescue Emily from the wrath of the person she thought loved her the most her husband Tak Wing In the middle of it all a strange match of timeless Test cricket unfolds in which the ball has an agency all its own With great heart The Lost Century explores the intersections of Asian relations queer Asian history underground resistance the violence of war and the rise of modern China a sprawling novel of betrayal epic violence and intimate passions This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines WCAG AA It is screen reader friendly and is accessible to persons with disabilities A Simple book with few images which is defined with accessible structural markup This book contains various accessibility features such as alternative text for images table of contents page list landmark reading order and semantic structure

Traitor By Default Patrick Brode, 2024-04-23 At the end of World War II a young Japanese Canadian would stand trial and face execution for having committed war crimes and betraying his country One of the most bizarre stories to emerge at the end of the Second World War was that of Kanao Inouye Born in Kamloops B C in 1916 he had relocated to his ancestral homeland of Japan and by 1942 was a translator for the Japanese army He was assigned to the prisoner of war camp in Hong Kong where he became infamous as one of the most sadistic guards of the Canadian survivors of the Battle of Hong Kong Scores of prisoners would attest to his brutality administered in revenge for the treatment he had received growing up in Canada His reputation was such that he was quickly apprehended after the war and faced charges of war crimes But his subsequent trials became mired in questions as to who he really was Was he a Canadian forced to serve in the Japanese military machine Or was he a devoted soldier of his emperor obeying his superiors

Long Night's Journey into Day Charles G. Roland, 2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity Long Night's Journey into Day centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for cigarettes No previous book has shown the essential relationship between almost universal ill health

and POW life and death or provides such a complete and unbiased account of POW life in the Far East in the 1940s **More than 1001 Days and Nights of Hong Kong Internment** Chaloner Grenville Alabaster, 2022-03-11 More Than 1001 Days and Nights of Hong Kong Internment is the wartime journal of Sir Chaloner Grenville Alabaster former attorney general of Hong Kong and one of the three highest ranking British officials during the Japanese occupation He was imprisoned by the Japanese at the Stanley Internment Camp from 1941 to 1945 During his internment he managed to keep a diary of his life in the camp in small notebooks and hid them until his release in 1945 He then wrote his wartime journal on the basis of these notes The journal records his day to day experiences of the fall of Hong Kong his time at Stanley and his eventual release Some of the most fascinating extracts cover the three months immediately after the fall of Hong Kong and when Alabaster and his colleagues were imprisoned in Prince s Building in Central and before they were sent to the camp a period little covered in previous publications Hence the book is an important primary source for understanding the daily operation of the Stanley Internment Camp and the camp s environment Readers will also learn more about the daily life of those imprisoned in the camp and C G Alabaster s interaction with other prisoners there A prominent figure in pre war Hong Kong Alabaster was one of the leaders of the British community in Stanley Internment Camp His recently discovered journal provides a detailed and candid account of the routines anxieties and hardships of camp life It also offers new insights into the complex politics and divisions among internees With its substantial editorial introduction this book is an important addition to the growing literature on internment during Japan s wartime occupation of Hong Kong Christopher Munn University of Hong Kong Of the many memoirs of the Stanley civilian internment camp this is perhaps the most fascinating and engrossing Written soon after the war and based on a diary it is not only a day by day description of the travails of life in captivity but also more interestingly an account of the inner tensions and divisions that were rampant among the British internees from beginning to end Edward J M Rhoads University of Texas at Austin Royal Air Force Quarterly and Commonwealth Air Forces Journal ,1966
