Tauber, 2007-08-30 Educators need a balance between discipline theory and its practice in the classroom This is especially important in today s educational climate with its increased demands for teacher accountability Tauber has designed this book for both those who are new to teaching and those who are already seasoned teachers but who have had little if any coursework in discipline This book presents several sound frameworks that readers can use to evaluate six tried and true discipline models Teachers need to select learn and implement a discipline model that best reflects how they feel students should be treated Tauber explores a number of topics some controversial all quite relevant concerning how teachers can prevent as well as handle problem behaviors A chapter describing A through Z discipline suggestions can be immediately put into use Jesus, Josiah, and Me Max Davis, 2021-02-02 FROM BEST SELLING AUTHOR AND AWARD WINNING JOURNALIST MAX DAVIS You can know undeniably that Jesus is real and fully present even when your feelings and circumstances scream the opposite Best selling author and journalist Max Davis had his life turned upside down when he experienced a supernatural encounter with a nine year old nonverbal autistic boy named Josiah Cullen This special boy who lived in Minnesota had prophetic visions and messages from God about Max who lived in Louisiana even though the two had never met or had any contact These messages which Josiah typed with one finger were packed with amazing biblical insight and highly detailed specifics about Max s life details that Josiah could not possibly have known unless they were revealed to him by the Holy Spirit As a skeptical journalist who pursues truth Max gained undeniable evidence that God is real and knows us personally Even more compelling is that the prophetic messages centered around

Max's personal prayer life Just like in John 1:48 when Jesus let Nathanael know He saw him praying under the fig tree through Josiah God was letting Max know that He sees us when we pray too even though circumstances often scream the opposite Life can be brutal and we tend to equate pain and struggle with the absence of God Yet nothing could be further from the truth Regardless of how things may appear Jesus is real alive and fully present and living in that awareness changes everything In Jesus Josiah and Me Max Davis shows you that it is possible to encounter the living Jesus in a richer and more tangible way that you can cultivate an awareness of His reality and know your prayers are affecting outcomes More than an amazing account of Max's encounter with an autistic boy that sparks faith and hope it's a story that unveils the mystery of experiencing God's presence and power like never before
