**Pagan Christmas** Christian Räscher, Claudia Müller-Ebeling, 2006-10-24 An examination of the sacred botany and the pagan origins and rituals of Christmas Analyzes the symbolism of the many plants associated with Christmas Reveals the shamanic rituals that are at the heart of the Christmas celebration The day on which many commemorate the birth of Christ has its origins in pagan rituals that center on tree worship agriculture magic and social exchange But Christmas is no ordinary folk observance It is an evolving feast that over the centuries has absorbed elements from cultures all over the world practices that give plants and

plant spirits pride of place In fact the symbolic use of plants at Christmas effectively transforms the modern day living room into a place of shamanic ritual Christian R tsch and Claudia M ller Ebeling show how the ancient meaning of the botanical elements of Christmas provides a unique view of the religion that existed in Europe before the introduction of Christianity The fir tree was originally revered as the sacred World Tree in northern Europe When the church was unable to drive the tree cult out of people s consciousness it incorporated the fir tree by dedicating it to the Christ child Father Christmas in his red and white suit who flies through the sky in a sleigh drawn by reindeer has his mythological roots in the shamanic reindeer herding tribes of arctic Europe and Siberia These northern shamans used the hallucinogenic fly agaric mushroom which is red and white to make their soul flights to the other world Apples which figure heavily in Christmas baking are symbols of the sun god Apollo so they find a natural place at winter solstice celebrations of the return of the sun In fact the authors contend that the emphasis of Christmas on green plants and the promise of the return of life in the dead of winter is just an adaptation of the pagan winter solstice celebration

**Twelve Essential Oils of the Bible** Karin Opitz-Kreher, Johannes Huber, 2023-04-18 A full color guide to the healing power of the 12 most important essential oils mentioned in the Bible Explores 12 essential oils cassia galbanum myrrh myrtle spikenard onycha sandalwood frankincense hyssop cedar cistus and cypress Details for each oil its Bible verses historical information botanical and chemical components uses in folk medicine and modern uses for healing and well being including simple recipes and daily practices Explains how essential oils and herbal medicine played a role in biblical times and in general history Health Essential Oils have been used for healing purposes since ancient times Oils anointed newborns and kings and were employed to care for the body and treat the sick The Bible specifically mentions at least 33 different essential oils and refers the aromatic herbs resins and incense more than a thousand times Distilling the essence of this healing wisdom Karin Optiz Kreher and Johannes Huber explain the ancient uses of essential oils both for ritualistic and health purposes and they examine the detail the 12 most important essential oils mentioned in the bible The essential oils in the full color guide are cassia galbanum myrrh myrtle spikenard onycha sandalwood frankincense hyssop cedar cistus and cypress Each oil is described beginning with the Bible verses that refer to it followed by historical information about the oil its botanical and chemical components its uses in folk medicine and its modern applications for healing and well being including simple recipes and daily practices Learn all you need to know about these powerful oils from the scriptures
