Unseduced and Unshaken Rosalie De Rosset,2012-08-01 You can't afford to live casually haphazardly No matter your age you were born into a plethora of expectations of what it means to be a woman How easily we assume impoverished views of womanhood as we hoist beauty and desirability above the more enduring traits of self possession and dignity We tend to live as divided and distracted selves allowing our bodies and minds to drift to opposite poles while swapping our pursuit of God for tamer lesser loves This collection of essays is more than a call to modesty or chastity It is a thoughtful provocation to

speaking well read often make choices that reflect the character of God and even to establish a theology of play or leisure Being intentional with your choices cultivating your intellect and taking seriously your voice determines not only what kind of person you are but also what kind of woman you will be Unseduced and Unshaken raises the bar for young Christian women It s a call for all Christian women to examine their personal faith presuppositions deliberately choose a life of Biblical dignity and to not be frightened to allow theology to inform our choices Just Between Us Summer 2013 issue **Jesus Of Asian Women (the)** Muriel Orevillo-Montenegro,2010 **Mean Girls Grown Up** Cheryl Dellasega,2010-12-08 Almost every woman has experienced bullying Whether her role was that of victim aggressor or bystander the pain of relational aggression female bullying lasts long after the incident has passed In Mean Girls Grown Up Cheryl Dellasega explores why women are often their own worst enemies offering practical advice for a variety of situations Drawing upon extensive research and interviews she shares real life stories from women as well as the knowledge of experts who have helped women overcome the negative effects of aggression Readers will hear how adult women can be just as vicious as their younger counterparts learn strategies for dealing with adult bullies how to avoid being involved in relational aggression and more Dellasega outlines how women can change their behavior successfully by shifting away from aggression and embracing a spirit of cooperation in interactions with others
