Ten Modern Irish Playwrights A Comprehensive Annotated Bibliography:

Ten Modern Irish Playwrights Kimball King, 1979 **Irish Literature** Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th-9th century. This is a rich and hardy literature starting with descriptions of the brave deeds of kings, saints, and other heroes. These were followed by generous veins of religious, historical, genealogical, scientific, and other works. The development of prose, poetry, and drama raced along with the times. Modern well-known Irish writers include William Yeats, James Joyce, Sean Casey, George Bernard Shaw, Oscar Wilde, John Synge, and Samuel Beckett. *World Encyclopedia of Contemporary Theatre* Irving Brown (Consulting Bibliographer), Natasha Rappaport (Bibliographer), Don Rubin (General Editor), Rosabel Wang (Consulting Bibliographer), 2013-10-11. An annotated world theatre bibliography documenting significant theatre materials published world-wide since 1945, plus an index to key names throughout the six volumes of the series. *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 *Reference Sources, 1981* S. Balachandran, M. Balachandran, 1992-03 *Irish Writing in the Twentieth Century* David Pierce, 2000. Arranged chronologically by decade from the 1890s to the 1990s, each decade is divided into two different types of writing: critical and documentary, and imaginative writing. It is accompanied by a headnote which situates it thematically and chronologically. The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings. The wide range of material encompasses writings of well-known figures in the Irish canon and neglected writers alike. This will appeal to the general reader but also makes *Irish Writing in the Twentieth Century* ideal as a core text providing a unique focus for detailed study in a single volume. **BOOK JACKET** Literary Research Guide James L. Harner, 2008. James L. Harner's *Literary Research Guide* which Choice calls the standard guide in the field, evaluates important reference materials in English studies. Since the publication of the first edition in 1989, tens of thousands of students and educators have used the Guide as an aid to scholarly research. In the new edition, Harner has added entries describing resources published since May 2001 and has revised nearly half the entries from the fourth edition. The fifth edition contains more than 1,000 entries which discuss an additional 1,555 books, articles, and electronic resources and cite 723 reviews. Readers of earlier editions will notice the inclusion of substantially more electronic resources, particularly reliable sites sponsored by academic institutions and learned societies to account for the proliferation of bibliographic databases, text archives, and other online resources. This edition also features a new section on cultural studies. British and Irish Dramatists Since World War II. John Stanley Bull, 2001. Embraces the work of writers working in theatrical traditions ranging from the classic well-made play to the most radical avant-garde pieces. This variety is indicative of the fact that this period is one of the most important in British drama, comparable to the late Elizabethan, Jacobean, and post-Restoration eras in terms of the quantity and quality of new work and surpassing both of them in the sheer variety of theatrical offerings. *Irish Literature* Maureen O'Rourke Murphy, James MacKillop, 1987 **Scholarly Publishing**, 1989. A journal for authors and publishers.
