Tender Love Gods Gift Of Sexual Intimacy:

Tender Love Bill Hybels, Rob Wilkins, 1993 In a culture obsessed with sex where virginity and fidelity belong only to a minority what hope is there for sexual purity For too much history the church has been almost silent about sex except to say no and don't Today facing a culture that says a loud yes to every kind of sexual activity Christians have found it necessary to dig deeper What is the purpose of sex How can Christians avoid the seduction of sexual traps and rescue others caught in them In **Tender Love** Bill Hybels and Rob Wilkins explore the contrast between God's design for sex and the world's design In modern society rights have been emphasized and responsibilities deemphasized Commitment is considered too time consuming Sex increasingly becomes an act of destruction leading to addiction divorce pain perversion depersonalization disease and death **Tender Love** speaks to the committed couple who want to remain faithful and may need reinforcement from God's word to overcome the obstacles and distractions to purity It also speaks to anyone trying to understand and help others especially to young people struggling with their own sexuality Gripping case histories chronicle the lifelong learning process of individuals who have learned the beauty or the destructive potential of sex A discussion guide is included for further study with your spouse a friend or a small group **Tender Love** resolves some of the curious duality that many have about their sexuality Pleasure and guilt wonder and shame The mystery and wonder of sex point to an imaginative and relational Creator God and remind us that sexual intimacy is meant as a gift not an idol Back cover of book **Forever and Always** Celestia G. Tracy, Steven R.
